REQUEST

- Street Name Change from Warnock Street to University Boulevard

CASE SUMMARY/BACKGROUND/SITE CONTEXT

The portion of Warnock Street to be renamed begins at S. Brook Street and runs east for 5,440 feet to Crittenden Drive. The street continues on across Crittenden Drive slightly to the north in an easterly direction and terminates at Bradley Ave. The University of Louisville owns more than 51% of linear footage adjacent to the section of Warnock to be renamed. Warnock Street also serves some commercial uses such as a Speedway and McDonald's. At the intersection of Warnock and Crittenden, there is a small commercial building with a liquor store and vacant space on the north side of Warnock Street, as well as a large multi-family development for student housing on the south side. It runs under I-65 and crosses three large intersections in the portion to be renamed. The University has recently improved the right-of-way to increase pedestrian safety and the aesthetics of the street.
