Goal of 100 foreclosures was met for FY17. During the end of FY17, a new staff member was brought onto the team. Training and incorporating the new staff member into the VPPA team caused a bit of a delay at the beginning of FY18, but this should be easily remedied in the next 1-2 months. In addition, additional funding was allocated for foreclosures in FY18, so the team expects to initiate closer to 150-175 cases this year.
