

Jonathan G. Jarrell

Summary

I have had a lifetime career in the fire and safety industry as a professional and also a business owner. I have served on many and various boards (Governor's Fire Commission and Fire Marshall's Fire Prevention Committee. Currently, I am serving on the board of AMFEMS.

Employment

I am retired from the Ashland, KY Fire Department, serving 22 years, as a Fire Officer, captain and inspector. I was also an owner of two fire suppression companies and one safety/security company.

1. Professional Fire Extinguisher Inc. Ashland, KY which was involved with commercial and industrial fire suppression. I sold the company to employees after 26 years of ownership in 2012.
2. Professional Fire Extinguishment LLC in Jeffersontown, KY which was also a service to commercial and industrial fire suppression.
3. Health and Safety Sciences LLC with a combined service of Safety compliance (OSHA) also security-armed and unarmed plant protection. This business was sold to partners.

Skills

Managing people, overseeing budgets, knowledge of fire service.

Education

College-Morehead State University and National Fire Academy Emmitsburg, PA, also, attended and taught various safety and security seminars. I have held many professional certifications and licenses with various states and jurisdictions.

Additional

I am not an appointee of any other board or commission except AMFEMS.

Thank you for your consideration to an appointment to this board or any other board that you think I might serve.
