LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

The Louisville Asset Building Coalition's (LABC's) mission is "to promote financial stability through economic success". Our primary program involves assisting low-moderate income individuals in filing their tax returns and correctly securing tax credits that increase financially stable.

The original partnership that became LABC began in 2002 and included support from United Way, Annie E Casey and the Metro Government. The original programmatic partners included the Center for Women and Families, Louisville Urban League, Louisville Central Community Center, Americana Community Center and Wesley House. MUW was the sponsoring and fiduciary agent until January 2014. LABC incorporated in 2012 and received tax exempt status from the IRS in November 2014.

Free federal and state income tax preparation is the core service provided in conjunction with community partners and volunteers targeting low to moderate income working individuals and families. In addition, we link clients to partners that help them open bank accounts for securing refunds, and provide opportunities for customers to access additional financial counseling and other services through LABC and referrals to other partner organizations, e.g., FAFSA application assistance through LABC; free energy audits offered by LG&E.

In addition, for several months during the summer and fall, we offer free financial empowerment classes at community centers and schools.

Through our relationships with other community organizations and government agencies, we also promote programs designed to assist families. Examples of this is our work with Metro United Way in promoting the 'Ages and Stages' program and soliciting customer survey data regarding the proposed Kentucky earned income tax credit.

SECTION 4 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

Free tax preparation services for individuals and families earning \$52,000 or less are currently offered year round. During tax season, from January through April 15th, tax preparation services are offered at a variety of locations throughout the county. Our tax sites are selected based on their accessibility by customers in our target markets (see list of current year tax sites, attached). We also assist clients who want to file their own taxes using two free tax preparation software options. Outside of tax season, tax preparation is available in our office on West Breckinridge St.

In 2015 we anticipate assisting more than 15,000 filers and generating close to \$25,000,000 in returns. In addition to the returns, we anticipate referring clients that:

- Do not have a bank account will be referred to Bank of Louisville to establish a banking relationship. Bank of Louisville estimates that individuals without banking relationships will spend more \$40,000 over their life time on check cashing and other fees.
- Own their home will be referred to a free energy audit sponsored by LG&E.
- Have a dependent under six will be referred to MUW's Ages and Stages program to help them get to school ready to succeed.
- Have a child in college or planning to attend college in the next year will be offered the opportunity to complete their FAFSA application as part of the tax preparation at no cost.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

NDF funds will be used to support the operation of more than 20 free tax sites located throughout Jefferson County that operate from mid-January through mid April as well the preparation of taxes that are prepared from mid-April through November primarily out of our office on Breckinridge Street.. This will cover approximately 17.5% of the cost of the 2015 filing season. The funds will support 4.5 FTE staff that work year round and several seasonal employees (late Jan through April 15) as well as materials and supplies used by the tax sites (primarily toner, paper, staplers, etc.) and equipment (4 printers and 7 laptop computers and related software).

If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

Last year, the Coalition completed 14,956 returns benefiting more than 21,000 individuals. This brought back almost \$24,000,000 to individuals and families; money that is spent largely in our community. The program served clients from nearly every zip code in Jefferson County and 581 clients from outside of the county.. Please see the attached list of clients served for more detail. More than 98% of our clients had household incomes that were less than \$50,000. Thirty five percent of our clients had incomes below poverty level and 44% had incomes between poverty and less than 200% of poverty level.

Our data is based on information from our tax preparation software, Taxwise and customer surveys requested of every client receiving tax preparation services. The customer survey information is compiled through Taxwise software and/or entered into a database by our staff and volunteers. The program and the Taxwise software is administered under the direction of the Internal Revenue Service.

The following client story is illustrative of the impact that our work has on the lives of the clients we serve: A single mother that was a client of Family Scholar House received a flyer in her 3 year olds Early Childhood backpack and came to one of our sites. She indicated that she had been letting a friend prepare her taxes and decided to let someone else do so. She had a copy of the last two years with her when she arrived at the tax site. The mother's Adjusted Gross Income was \$21,500 and she was a full time student. We were able to prepare the tax return and her refund was \$10,300. It included Earned Income Tax, Child Tax, Additional Child Tax and American Opportunity Credits. She cried and told us that the refund would help her pay tuition, pay a couple of bills and save the rest. The Site Coordinator amended two years' of prior returns and the client received another \$2000.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

The Coalition is, by nature and necessity, a collaborative venture. It was establish by a collection of funders and community partners that had an interest in strengthening the economic well-being of clients and the broader community. The tax preparation service is currently provided at nine fixed sites (Americana Community Center, Bates Community Development Center, LABC, Louisville Central Community Center, Louisville Urban League, Portland Promise Center, Salt and Light CDC, Sun Valley Community Center and Wesley House) and more than fifteen mobile sites (University of Louisville, Jewish Family Career Services, Daymar College, Family Scholar House, United Crescent Hill Ministries, Neighborhood House, Center for Accessible Living and Amazon). All of these partners provide access to clients as well as space and other resources that assist in the tax preparation.

We also work very closely with other community partners to connect our clients to other existing services including Bank on Louisville (establish banking relationships for the unbanked), LG&E (provides energy audits for homeowners) and Metro United Way (connects clients with young children to programs that help children get to kindergarten ready to succeed).

We have a very small staff (less than 5 FTE's) so our program depends on volunteers that work as greeters and tax preparers. In 2015, we will have close to 400 volunteers that serve in this capacity. We work closely with Metro United Way, Bellarmine and U of L to recruit and place the volunteers. The two universities provide us with access to students pursuing degrees in business, accounting and law.

If YES, please explain:

Currently Family Scholar House provides LABC with free office space including; utilities, telephone and internet services. Family Scholar House has notified us that they will need to use our current space for a program that serves people that are aging out of foster care in 2016. Consequently, we will need to relocate and will most likely incur material additional operating costs. We will begin looking for new space this summer.

We will also review our service data after the completion of the filing season with an eye towards opening a couple of new sites next year.
