John,

We would like to request a total of \$46,000 in NDF to wrap up expenses for 2015 FridayFest and start planning 2016 season. These will be used to pay the production company for booking talent, providing staging and audio equipment, and marketing costs. Funds will also be used for event permits, picnic tables, trash cans, parking staff, and other event expenses.

Thanks

Latest version of release – I changed a few things from the previous versions to show that there is only one left – otherwise it is the same.

Let me know if you have any changes/suggestions.

Torsky – is the BBQ vendor still participating in this one? Is it someone different?
