Metro Council Budget Committee FY17 Amendment Summary

Investing in our Places

- Paving
- Sidewalks
- Corrections
- Parks

Total Additional Funding: >\$10 million

Increasing Road Investments

Last year:

- Metro Council allocated \$200,000 for the reevaluation of Corridor & Arterial Roads
- Metro Council added \$5 million to the Mayor's recommended budget
- Metro Council added another \$4 million during our mid-year adjustment.

Total FY16 investment in roads: \$20.4 million

Increasing Paving / Road Investment

According to Director of Metro Public Works, a \$22.4 million investment annually will allow Metro to address our road paving deficit within 10 years.

**Total Amount to be added to Road/Paving Improvements:
over \$5,000,000**

Metro Council FY17 Paving Plan

Additional Paving/Road Improvements: >\$5,000,000

- A 3 year Paving Plan is required to be delivered to the metro Council by April 1, 2017
- Monthly Reports are to be submitted to Metro Council by Public Works outlining progress addressing road needs and schedule for addressing these needs.
- 63% of funds allocated to paving will be used on roads rated below 55 (average) on the PW Road rating list.

Priority: Increasing Paving / Road Improvements

Total Road Paving/Repair Proposed in Mayor's Budget: \$18.1 M

Total Added by Metro Council for Road Paving/Repair : \$5 M

**Total Road Paving Investment After Amendment
greater than \$23,000,000**

Increasing Sidewalk Investments

Total Additional funding for sidewalk repair: \$1,090,000

- Funding will address any sidewalk rated a 5 (worst condition)
- Funding will also support addressing many sidewalks rated in need of repair.
- Begins to address more than \$9 million in sidewalks in need of repair

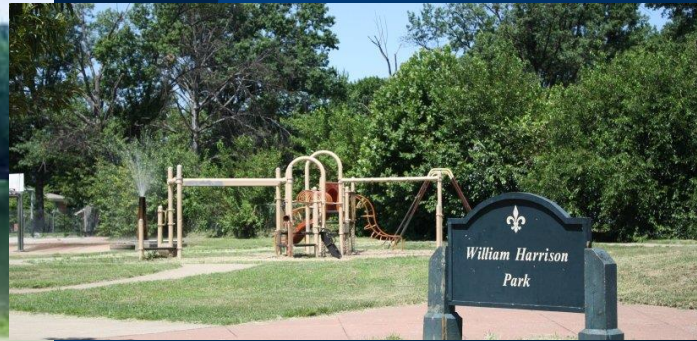

Increasing Investments in Safety

Metro Corrections (\$455,000)

- Main Jail Door Sensor Replacement
- Main Jail Fire Life Safety Repairs
- Main Jail Smoke Evacuation and Damper Improvements
 - - Door Lock Replacement

Investing in our Parks

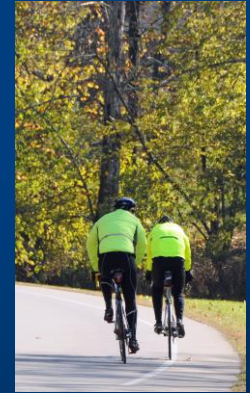

Amendment Summary: Community Projects

Center For Neighborhoods
