Technical Review

- Any change to the exterior of the property, including expansion to the floor area, modifications to outdoor areas, or façade renovations will require either the approval of a revised detailed district development plan or certificate of appropriateness, or both

2000-2010 Clifton Neighborhood Plan

- Development does not impact current density levels
- Subject to a design review - Clifton Preservation
- Street trees are present
- Bike parking and ADA parking is provided
- Subject site retains the existing parking facilities to meet parking demand

C-R vs. C-1

- Setback requirements are the same
- Max. Density is the same (34.8 du/acre)
- Floor Area Ratio: 3.0 for C-R, 1.0 for C-1
- C-R does allow uses like Antique shops, Bed and Breakfasts, Offices, etc.
- C-R does not allow things like Auto service stations, Department stores, Hotels/Motels, Restaurants with drive-in facilities, Veterinary hospitals, etc.
