DETENTION REQUIRED:

Single Family - (0.56 - 0.35) x 434.6 Ac x 2.5/12 = 22.1 Ac. Ft.

Multi Family - (0.75 - 0.35) x 126.0 Ac x 2.5/12 = 12.2 Ac. Ft.

Commercial - (0.83 - 0.35) x 116.2 Ac x 2.5/12 = 13.5 Ac. Ft.

Total = 47.8 Ac. Ft.

RETENTION PROVIDED:

Above retention shall be provided unless a storm routing is performed that is acceptable to MSD that limits the post developed peak to the predeveloped peak.

All drainage structures will be designed for the upstream watershed and approved by MSD.

DOCKET NO. 9-122-85
Owner/Developer: STM/Springhurst Partnership
Location: Northeast corner Goose Creek Road and Blossom Lane
Request: Revised District Development Plan

RESOLVED, That the Louisville and Jefferson County Planning Commission does hereby APPROVE the revised district development plan for Docket No. 9-122-85 subject to the following binding elements:

1. In addition to the following binding elements, the Binding Elements for Docket No. 9-6-89C relating to drainage improvements shall apply to this docket, 9-122-85.

~~2. Prior to requesting issuance of building permits for development of tracts 1, 2 and 3:~~
~~a) Detailed district development plan(s) must be reapproved by the Jefferson County Department of Public Works and Transportation and the Metropolitan Sewer District.~~
~~b) The detailed district development plan shall be submitted to the LD&T Committee for approval.~~
Deleted LD&T May 14, 1992

2. ~~3.~~ The number of units shall be no more than 68 without prior approval of the Planning Commission.

~~4. If a building permit is not issued within one year of the date of approval of the plan tracts 1, 2 and 3 shall not be used in any manner unless a revised district development plan is approved or an extension is granted by the Planning Commission.~~
~~3. 5. A certificate of occupancy must be received from the appropriate code enforcement office prior to occupancy of the structure or land for the proposed use. All binding elements must be implemented prior to requesting issuance of the certificate.~~
Deleted LD&T May 14, 1992

4. ~~6.~~ The above binding elements may be amended as provided for in the Zoning District Regulations.

DOCKET NO. 9-6-89C
Changes in zoning from R-1 Residential Single Family to R-4 Residential Single Family and from R-4 Residential Single Family to R-7 Residential Multi-Family and C-2 Commercial on the west quadrant of Westport Road and I-265 (Gene Snyder Freeway) containing 208 acres subject to the rezoning application; the property is located at the intersections of the following streets: Westport Road at Simcoe Lane, Westport Road and I-265 (Gene Snyder Freeway) and Westport Road and Old Chamberlain Lane; also a request for a Conditional Use Permit to allow a day care center in the R-4 zone (Springhurst Subdivision); also a request for a Conditional Use Permit to allow a private club in the R-4 (Springhurst Subdivision) and R-7 zones; having a related subdivision variance request Docket No. 10-6-89V and two related street and road closure requests Docket Nos. 1-2-89 (Simcoe Lane) and 1-5-89 (Old Chamberlain Lane) all being located in unincorporated Jefferson County, Kentucky, and all being part of the proposed Springhurst mixed-use development.

RESOLVED, That the Louisville and Jefferson County Planning Commission does hereby APPROVE the district development plan for Docket No. 9-6-89C subject to the following binding elements:

1. Prior to requesting issuance of building permits for development of lot 707 (non-residential uses), detailed district development plans shall be approved by the Planning Commission for each site or phase. Each plan shall be in adequate detail to ensure compliance with binding elements of the general district development plan as shown below. Each plan may be subject to additional binding elements which may relate to, but not be limited to the following items:
   a) screening, buffering, landscaping as described in Article 12.
   b) points of access.
   c) signs
   d) loading berths

2. The commercial development shall not exceed the following:
   a) Mall area - 1,076, 744 square feet of gross floor area.
   b) Retail North - 158,500 square feet of gross floor area.
   c) Retail South - 19,000 square feet of gross floor area.
   d) 4 buildings - 26,000 square feet of gross floor area.

3. The R-7 Multi-Family development shall not have more than 940 dwelling units.

4. Vehicular access to Westport Road shall be prohibited from the outlots.

5. The order or resolution of Jefferson County Fiscal Court closing Simcoe Lane will be conditioned to become effective upon the completion of Hurstbourne Parkway from Brownsboro Road to Westport Road; the order or resolution of Jefferson County Fiscal Court closing Old Chamberlain Lane will be conditioned to become effective upon the transfer of title consolidating the Anderson tract with the property on the west side of Old Chamberlain Lane.

6. a) Uses on Lot 705 (south of lake bearing elevation 640') may be occupied or open for business when the intersection and taper improvements at the Freys Hill - Westport Road intersection are substantially completed.
   b) Uses on Lot 705 (north of lake bearing elevation 640') may be occupied or open for business when Road A between Hurstbourne Parkway and Westport Road is substantially completed (plus improvements in No. 1 above).
   c) The shopping mall in Lot 707 may be occupied or open for business when all of the improvements to Westport Road and intersecting streets (as shown in Exhibit A-1), including four through lanes to Hurstbourne Parkway, are substantially completed (plus improvements listed in Nos. 1 and 2 above).
   d) The developer shall submit a preliminary engineering study showing the ultimate right-of-way required along Westport Road. This study shall be approved by the State Highway Department and County Works Department prior to development approval of Springhurst Subdivision sections adjacent to Westport Road.

7. Access points shall be limited to those shown on the approved general district development plan and the preliminary subdivision plan.

8. The developer will provide storm water retention in excess of the minimum amount required by the Metropolitan Sewer District. The retention will provide for a reduction in the pre-development storm water flow through the City of Ten Broeck. The reduction will amount to 15% for the 2-year storm and 10% for the 10 and 100-year storm.

9. Before a building permit is requested:
   a) The development plan must be reapproved by the Jefferson County Department of Public Works and Transportation and the Metropolitan Sewer District.
   b) The size and location of any proposed sign must be approved by the Planning Commission. The Planning Commission may require that the signs be smaller than would otherwise be permitted by the Zoning District Regulations.
   c) Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
   d) A major subdivision plat shall be recorded creating the lots and roadways shown on the approved general district development plan and preliminary subdivision plan.
   e) The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Article 12. Such plan shall be implemented prior to requesting a certificate of occupancy and maintained thereafter.
   f) All necessary recording fees shall be paid.

10. The applicant shall request abandonment of the existing CUP on the site (B-34-78) within two months of the approval of the change in zoning.

11. Outdoor advertising signs (billboards) and small freestanding (temporary) signs, pennants and banners shall be prohibited on the site.

12. When developer determines it is necessary to develop property on land which includes the Jacob Hite House (JF502), Fischer Family Bungalow, believed to be a Sears "kit" house, and the "Simcoe House", also purported to be a Sears "Kit" house, in each case, the developer will give ninety days notice to the Jefferson County Office of Historic Preservation and Archives so that the homes may be relocated.

    The Brenner house (JF506) which is presently adjacent to the development, and is located at the intersection of Road "A" at Westport Road, will be buffered by a fifteen foot landscape buffer of trees and shrubs as called for in Article 12.

    The Young Dorsey Springhouse (JF694) will be preserved if detailed engineering studies by Developer's engineers determine that it is economically feasible to move Road "A" to allow its preservation. If preservation is not feasible, developer will permit the Jefferson County Office of Historic Preservation and Archives to document the Springhouse, through photographs and drawings, prior to its removal.

13. The following C-2 Commercial uses otherwise allowed in the C-2 district shall be prohibited in this development:

    Billboards
    Automobile repair garages
    Beer depots where alcoholic beverages are not consumed on the premises
    Boarding and lodging houses
    Building materials, storage and sales provided all operations are totally enclosed in a building
    Business schools
    Colleges, schools and institutions of learning
    Flea markets
    Fraternities, sororities, clubs and lodges excluding those the chief activity of which is a service customarily carried on as a business
    Garage or yard sales
    Golf courses, except miniature courses, driving ranges, or privately owned golf courses operated for commercial purposes
    Kennels
    Monument sales
    Plumbing, and heating shops, storage and sales provided all operations are totally enclosed in a building
    Printing, lithographing, or publishing establishments, if constructed to insure that there is no noise or vibration evident outside the walls of the building
    Rubber stamp manufacturing, where products are sold on premises
    Trade schools
    Used car sales areas.

14. If a building permit is not issued within one year of the date of approval of the plan or rezoning, whichever is later, the property shall not be used in any manner unless a revised district development plan is approved or an extension is granted by the Planning Commission.

15. A certificate of occupancy must be received from the appropriate code enforcement office prior to occupancy of the structure or land for the proposed use. All binding elements must be implemented prior to requesting issuance of the certificate.

16. The above binding elements may be amended as provided for in the Zoning District Regulations.

CONDITIONAL USE PERMIT - PRIVATE CLUB

RESOLVED, That the Louisville and Jefferson County Planning Commission does hereby APPROVE ON CONDITION the Conditional Use Permit.

RESOLVED, That the Louisville and Jefferson County Planning Commission does hereby WAIVE Article 15, D., 4. of the Conditional Use Permit Section of the Development Code to permit parking spaces as shown on the approved plan.

The conditions are as follows:

1. The site shall be developed in strict compliance with the approved development plan. No further development shall occur on the site without prior review and approval by the Planning Commission.

2. Access to Lots 694 and 694A will be from Simcoe Lane until dedication of the proposed streets abutting the Swim & Tennis Club are recorded.

3. No development of the site as a private proprietary club shall occur until the applicant has received construction approval for the proposal from the Metropolitan Sewer District.

4. The site shall not be used for a private proprietary club until a public water supply and an approved method of disposal of sewage is approved by the Metropolitan Sewer District and the Health Department. At the time that sanitary sewers are available, the site shall be connected to sanitary sewers.

CONDITIONAL USE PERMIT - DAY CARE CENTER

RESOLVED, That the Louisville and Jefferson County Planning Commission does hereby APPROVE ON CONDITION the Conditional Use Permit for a day care center.

RESOLVED, That the Louisville and Jefferson County Planning does hereby WAIVE Article 15., D., 31, item e. of the Conditional Use Permit Section of the Developement Code to permit 48 off-street parking spaces for the proposed day care center.

The conditions are as follows:

1. The site shall be developed in strict compliance with the approved development plan. No further development shall occur on the site without prior review and approval by the Planning Commission.

2. The day care center shall serve no more than ~~200~~ 150 children. (LDT June 10, 1993) There shall be no increase in the number of children served without prior review and approval by the Planning Commission.

3. There shall be no more than ~~10~~ 15 employees per shift " of the day care center. There shall be no increase in the number of employees without prior review and approval by the Planning Commission.

4. There shall be no access to the day care center from existing Simcoe Lane.

5. The Conditional Use Permit shall not be effective until the extension of Hurstbourne Parkway between Westport Road and Ky. Highway 22 and that portion of proposed road "A" of Springhurst Subdivision are created by record plat and the roadways are constructed.

6. The site shall not be used for a day care center until the day care center is connected to a public water supply and a sanitary sewer system as required by the Health Department.

The Conditional Use Permit shall not be effective until the applicant submits to the staff of the Board a written statement from an attorney or title insurance company that no restrictive covenant exists on the site restricting the property to residential use.

8. The applicant shall submit to the staff of the Planning Commission a copy of the State license for the day care center within 15 days of the issuance of the license.

DOCKET NO. 10-
Springhurst Subdivision
Preliminary Plan
Location: Northwest quadrant of Westport Road and I-265 (Gene Snyder Freeway) having a related variance request to allow wall to exceed maximum required height; also a related change in zoning request, Docket No. 9-6-89C and two related conditional use permits to allow a day care and aprivate club and two related street closure requests, Docket Nos. 1-2-89 and 1-5-89, containing 703 acres and being in unincorporated area of Jefferson County.
Developer: STM/Springhurst Partnership
301 North Hurstbourne Lane 40222
Engineer: Sabak, Wilson & Lingo
315 W. Market Street 40202

RESOLVED, That the variance is hereby APPROVED.

The variance allows:

1. The proposed brick serpentine wall noise barrier to be 14 feet tall in the road "A" front yard of proposed lot 691, and

2. The proposed brick serpentine wall noise barrier to be 14 feet tall in the required rear yard of proposed lot 705 and the required side yard of proposed lot 691, and

3. The proposed brick serpentine wall noise barrier to be 14 feet tall in the required road "A" front yard of lots 102 through 11, 140 through 142, and 150 through 156.

DOCKET NO. 10-30-91V
Springhurst Patio Homes (Innovative)
Location: Northwest intersection of Blossom Lane and Goose Creek Road extending east along Blossom Lane to the northeast intersection of Blossom Lane and Hurstbourne Parkway, containing 13.71 acres and being in unincorporated Jefferson County

RESOLVED, That the Louisville and Jefferson County Planning Commission does hereby GRANT waivers under the Innovative Residential Development Section of the Zoning District Regulations to allow:

1. A reduction in the lot size from 6,000 to 3,500 square feet.

2. A reduction in the front yard setback from 25 to 10 feet.

3. A reduction in the street side yard setback requirement from 25 to 10 feet.

4. A reduction in the rear yard setback requirement from 25 to 0 feet.

5. A reduction in the side yard setback requirement from 5 to 0 feet.

RESOLVED, That the Louisville and Jefferson County Planning Commission does hereby GRANT waivers under Section 1.90 of the Metropolitan Subdivision Regulations to allow:

1. Deletion of the sidewalk requirement along Blossom Lane and the private roadways within the interior of the of the subdivision with the exception of a portion on the south side of the main private roadway extending from Hurstbourne Parkway for 291 feet.

2. A reduction in the minimum road widths from 24 feet to 16 and 18 feet.

RESOLVED, That this preliminary plan shall be subject to the following binding elements:

1. The development shall be in accordance with the approved Residential Development Preliminary Plan. No further subdivision or resubdivision of the land into a greater number of lots than originally approved shall occur.

2. Prior to the recording of the record plat, copies of the recorded documents listed below shall be filed with the Planning Commission.

   a) Articles of Incorporation in a form approved by Counsel for the Planning Commission and the Certificate of Incorporation of the Homeowners Association.
   b) A deed of restriction in a form approved by Counsel of the Planning Commission outlining responsibilities for the maintenance of open space.
   c) Bylaws of the Homeowners' Association in a form approved by Counsel for the Planning Commission.

3. When 80% of the dwelling units have been sold, the homeowners association must have cash in its account in the amount of $3,000 and the subdivision performance bond may be required by the Planning Commission to fulfill this funding.

NOW, THEREFORE, BE IT RESOLVED, that the variances are hereby APPROVED.

The variances allow:

1. A proposed 8-foot tall wood fence to exceed the maximum allowed height of 4 feet in the required Blossom Lane street side yard.

2. A proposed 6-foot tall wood fence to exceed the maximum allowed height of 4 feet in the required Goose Creek Road front yard.

3. An existing 7-foot tall wood fence to exceed the maximum allowed height of 4 feet in the required Goose Creek Road front yard yard.
