Re: Case # 20-ZONE-0041
Subject Property 9700 Bartley Dr.

Dear Mr. Klock,
Our Property - 9601 Bartley borders
property where proposed Evansville
Federal Retired Teachers Credit Union is to be
developed. We are requesting there be
a 6 ft / 8 ft Privacy Fence between our
installed on property line, for our
privacy. We are the property closest to
development. --- My husband and I
both fully support this development.

Thank you for seeing that a privacy
fence is included with ^{FM} final plans!
