Amendments: Describe the circumstances under which a time extension or scope change is needed.

New: Be specific about the work to be performed / product to be purchased including but not limited to: scope of work; description of service; work product created; why the service / product is necessary; and benefit to Louisville Metro Government.

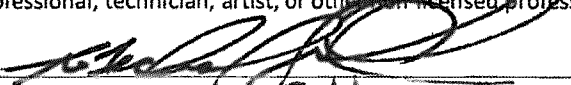

The Department of Criminal Justice at the University of Louisville assisted the Louisville Metro Police Department with Vehicle Stops Analyses from 2005 to 2008 and more recently began providing analyses and advisement on the data collection process in April 2013. Similarly, the Department of Criminal Justice has conducted citizen attitude surveys, intermittently, for LMPD and previously the Louisville Division of Police, since the mid-1990s. Most recently, the department has conducted annual citizen attitude surveys since 2013. The Department of Criminal Justice has extensive experience with policing through its program the Southern Police Institute. Additionally, the faculty member who conducts the analysis for both reports has worked with the International Association of Chiefs of Police to inform police departments of the value of surveys of citizens and other "consumers" of police services. The most recent series of analyses for the vehicle stops and citizen attitudes provide the Chief and Mayor with not only annual information on police stops and citizen attitudes, but with the capability to make annual comparisons. In order to make the longitudinal comparisons, it is important that a consistent data collection instrument and data collection methodology be retained. Without this consistency, longitudinal comparisons are not possible and one

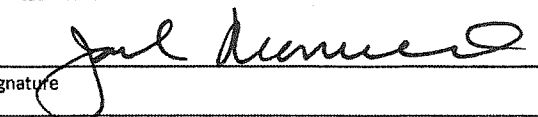

JUSTIFICATION FOR NON-COMPETITIVE GOOD/SERVICE (Attach additional documentation if necessary)

Provide justification including but not limited to: a description of the unique features that prohibit competition; research conducted to verify the vendor as the only known source (sole source); why the service (PSC) is not feasible to be provided by LMG staff or expertise does not exist; known compatibility, proprietary and/or timing issues.

AUTHORIZATIONS: Per KRS 45A.380, I have determined that competition is not feasible for the above described good / service and there is a single source within a reasonable geographical area of the good / service to be procured; or the resulting contract is for the services of a licensed professional, technician, artist, or other non-licensed professional service.

AGREEMENT

THIS PROFESSIONAL SERVICE AGREEMENT, made and entered into by and between the **LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT**, by and through its **LOUISVILLE METRO POLICE DEPARTMENT**, herein referred to as “**METRO GOVERNMENT**”, and **THE UNIVERSITY OF LOUISVILLE RESEARCH FOUNDATION, INC.**, a Kentucky non-profit corporation and agent of the University of Louisville (“UofL”) for the receiving grants, research agreements and other sponsored agreements from external funding sources and which owns and controls intellectual property on behalf of UofL, with offices located at The Nucleus Building, 300 East Market Street, Suite 300, Louisville, Kentucky 40202, herein referred to as “**ULRF**”,

WITNESSETH:

WHEREAS, the Metro Government wishes to procure a Vehicle Stops Analysis and a Citizen Attitude Survey; and

Whereas, Consultant has the experience, expertise and qualifications necessary to provide these services; and

Whereas, pursuant to KRS 45A.380, the Metro Government has determined that competition is not feasible and that this Agreement is for professional services:

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

I. SCOPE OF PROFESSIONAL SERVICES

A. ULRF shall, at the request of the Metro Government, provide services under the terms of this professional Agreement. The ULRF’s work product may be reviewed from time to time by the Metro Government for purposes of determining that the services provided are within the scope of this Agreement.

B. ULRF, while performing the services rendered pursuant to this Agreement, may incidental thereto utilize agents or employees of UofL. However, such use must be documented in the monthly invoice submitted for those services rendered.

C. If from time to time ULRF needs to utilize the records or personnel of the Metro Government relative to performing the services required of this Agreement, then ULRF shall notify the Louisville Metro Office of Management and Budget of this need and arrangements may be made for that contingency. However, at no time shall the Metro Government make available its resources without the full consent and understandings of both parties.

D. The services of ULRF shall include but not be limited to: 1) completion of a Vehicle Stops Analysis to include data collection development, data entry (paper forms), data conversion (electronic forms), data analysis and twenty printed copies of the report on data analysis and one electronic copy and 2) completion of a Citizen Attitude Survey to include survey methodology development, survey distribution and implementation, data entry, data conversion, data analysis and twenty printed copies of the report and one electronic copy.

II. FEES AND COMPENSATION

A. Consultant shall be reimbursed for professional services rendered according to the terms of this Agreement based on detailed invoices setting forth Consultant's expenses. Total compensation payable to Consultant for services rendered pursuant to this Agreement shall not exceed **EIGHTY FOUR THOUSAND DOLLARS (\$84,000.00)**.

B. Payment for services will be made, upon receipt of ULRF's detailed lump sum invoice by the Metro Government, to be provided once the work to be performed hereunder is completed. Payment shall only be made pursuant to a detailed invoice, which invoice shall indicate a descriptive accounting of the services performed under this Agreement and the particular nature of such service. Copies of invoices or receipts for third party charges and out of pocket expenses must be included with the ULRF's invoice when payment is requested. Should the agreement be terminated or canceled prior to completion of the work to be performed hereunder, Metro Government agrees to pay ULRF for all work performed up to and including the date of termination..

C. ULRF shall only be reimbursed out-of-pocket expenses if they are reasonable in amount and necessary to accomplish the scope of services of this contract. The Metro Government will not reimburse first class air fare, personal phone calls, short term parking expenses, or other premium type expenses. The Metro Government reserves the right to reduce or disallow expenses considered excessive or unnecessary under this contract.

D. ULRF, to the extent that it provides the same or related services to other parties agrees that it will not charge Metro Government for services or expenses for which it is also billing other parties which are of benefit to the other parties. Should services rendered to Metro Government under this agreement be such that those services also benefit another party during the term of this agreement, ULRF agrees to pro-rate its billings and expenses to Metro Government appropriately and to provide documentation to all parties to verify the pro-ration of such billings. In no event will the Metro Government pay bills which are considered to be double billing (i.e. billing two different parties for the same work or expense).

III. DURATION

A. This Agreement shall begin July 1, 2019 and shall continue through and including June 30, 2020.

B. This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of such intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform the duties required under this Agreement. A waiver by either party of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

C. In the event of termination, payment for services complete up to and including date of termination shall be based upon work completed as invoiced by ULRF. In the event that, during the term of this Agreement, the Metro Council fails to appropriate funds for the payment of the Metro Government's obligations under this Agreement, the Metro Government's rights and obligations herein shall terminate on the last day for which an appropriation has been made. The Metro Government shall deliver notice to ULRF of any such non-appropriation not later than 30 days after the Metro Government has knowledge that the appropriation has not been made.

IV. EMPLOYER/EMPLOYEE RELATIONSHIP

It is expressly understood that no employer/employee relationship is created by this Agreement nor does it cause ULRF to be an officer or official of the Metro Government. By executing this Agreement, the parties hereto certify that its performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

V. RECORDS-AUDIT

ULRF shall maintain during the course of the work, and retain not less than five years from the date of final payment on this Agreement, complete and accurate records of all of ULRF's costs which are chargeable to the Metro Government under this Agreement; and the Metro Government shall have the right, at any reasonable time, to inspect and audit those records by authorized representatives of its own or of any public accounting firm selected by it. The records to be thus maintained and retained by ULRF shall include (without limitation): (a) payroll records accounting for total time distribution of ULRF's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as documentation of electronic payroll deposits, or signed receipts for payroll payments in cash; (b) invoices for purchases receiving and issuing documents, and all the other unit inventory records for ULRF's stores stock or capital items; and (c) paid invoices and canceled checks (if applicable) or procurement card supporting documentation for materials purchased and for subcontractors' and any other third parties' charges.

VI. HOLD HARMLESS AND INDEMNIFICATION CLAUSE

ULRF, as an agent of the University of Louisville (U of L), although vested with sovereign immunity, is subject to the Claims Commission Act, KRS 49.010-49.180. Claims against ULRF relating to personal injury or property damage may be filed and decided under the provisions of the Act. To the extent permitted by that Act and other applicable law, ULRF as agent for the University of Louisville, shall defend, indemnify and hold harmless the Metro Government from and against any and all claims against the Metro Government which may result from any error or omission arising out of ULRF's performance under this Agreement.

VII. REPORTING OF INCOME

The compensation payable under this Agreement may be subject to federal, state and local taxation. Regulations of the Internal Revenue Service require the Metro Government to report all amounts in excess of \$600.00 paid to non-corporate contractors. ULRF agrees to furnish the Metro Government with its taxpayer identification number (TIN) prior to the effective date of this Agreement. ULRF further agrees to provide such other information to the Metro Government as may be required by the IRS or the State Department of Revenue. Metro Government acknowledges ULRF's assertion that it is a non-profit tax-exempt corporation.

VIII. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Kentucky. In the event of any proceedings regarding this Agreement, the Parties agree that the venue shall be Franklin Circuit Court, Frankfort, Kentucky . All parties expressly consent to personal jurisdiction and venue in such Court for the limited and sole purpose of proceedings relating to this Agreement or any rights or obligations arising thereunder. Service of process may be accomplished by following the procedures prescribed by law.

IX. AUTHORITY

The ULRF, by execution of this Agreement, does hereby certify and represent that it is qualified to do business in the Commonwealth of Kentucky, has full right, power and authority to enter into this Agreement. Further, ULRF certifies that it has the authority to contract for these services with Metro Government for UofL.
