Kyle-

I just spoke with Action Landscape. The additional work will be \$250.00.

Thanks

That would be great – thank you.

End goal is to have that area mowable.

John,

Can we also confirm that the large weeds and bushes will also be removed during this project, not just the rose bushes.

For instance, the block of St. Joe's is just weeds and large bushes, no rose bushes.

Thanks,
Kyle

Kyle,
John has just returned from his leave and is back in the swing of things this week.

We should have an estimate by the end of the week!

Kyle –

I will work with John on this when he gets back from his leave, which will be in two weeks. I will be in touch if I can get an estimate sooner!

Hi Lorri,

I received your phone message. I understand about not using volunteers on the site. Can Brightside work to obtain a cost estimate and plan for removal if D9 pays for it?

I'm not in the office this afternoon. I will try to call later this week.

Thanks,

Kyle

Good Morning, Gina, Meredith, Erin and Jeff.

We are working with CSX to obtain a right-of-entry permit to have the rose bushes along Frankfort Avenue removed. Can we work with one of your agencies to obtain a cost estimate to have the bushes professionally removed? Another option would be for a volunteer effort, but I'm not sure how much time CSX will provide us to have the bushes removed.

I drove the area today and there are two sections of bushes:

1. N Galt to N Bayly
2. St. Joseph Children's Home to Hillcrest

Please let me know if your agency can help.

Thanks,
Kyle
