Certification Statement: A certification statement must be submitted with any application in which the owner(s) of the subject property is (are) a limited liability company, corporation, partnership, association, trustee, etc., or if someone other than the owner(s) of record sign(s) the application.

I, Suzannah Parrish, in my capacity as Association Manager, hereby representative/authorized agent/other

certify that Marseille Condo Association is (are) the owner(s) of the property which name of LLC / corporation / partnership / association / etc.

is the subject of this application and that I am authorized to sign this application on behalf of the owner(s).

Signature:  Date: 6-22-2020

I understand that knowingly providing false information on this application may result in any action taken hereon being declared null and void. I further understand that pursuant to KRS 523.010, et seq. knowingly making a material false statement, or otherwise providing false information with the intent to mislead a public servant in the performance of his/her duty is punishable as a Class B misdemeanor.

Please submit the completed application along with the following items:

Required for every application:

- Land Development Report¹
- Current photographs showing building front, specific project area, and surrounding buildings
- Elevations, pictures, samples, brochures, or other technical data describing materials, such as windows, doors, roofing, fencing, etc. to be used in the renovation or replacement

Site and Project plan: *(required for building additions, new structures and fencing)*

- Site plan drawn to scale with dimensions, as applies to the project, indicating property lines, structures, landscaping, fencing, and parking
- Floor plans drawn to scale with dimensions and each room labeled
- Elevation drawings (a drawing showing exterior walls) drawn to scale with dimensions.
For fencing, only photos/drawings of the proposed fence are required.

Committee Review Only

Committee reviews may be required due to the complexity of the case. The necessity of these items will be determined by staff upon review. Projects requiring committee level review include construction of new buildings, demolition, and projects that vary widely from design guidelines.

- Two sets of 11"x17" format site plans drawn to scale with dimensions
- Two sets of 11"x17" elevation drawings to scale with dimensions
- Two sets of 11"x17" landscaping drawings to scale with dimensions
- One set of mailing label sheets for: 1st tier Adjoining Property Owners (APOs)³, owners, applicants, contacts, and Case Manager. Applicant is responsible for mailing.
- One copy of the mailing label sheets

Resources:

1. For a Land Development Report, go to the following website and enter address in the search bar. After the map zooms to the location, click on the icon that looks like the letter "d" in a green circle. Print report.
<https://www.lojic.org/lojic-online>
2. Deeds and plats can be found at the Jefferson County Clerk's Office (527 West Jefferson Street , 2nd fl, 502-574-6220. Many deeds, plats and other records are available online at:

Definitions:

Certificate of Appropriateness: A project involving physical changes to the exterior of a building, structure, or property designated as a local landmark or located within a local preservation district shall require prior approval in the form of a Certificate of Appropriateness. An approval requires substantial conformance to design guidelines established for each landmark and district. The design guidelines, along with other information regarding local preservation districts, may be found at the website of the Landmarks and Preservation Districts Commission: <https://louisvilleky.gov/government/planning-design/historic-preservation-landmarks-and-overlay-districts>

Overlay District Permit: A project involving physical changes to the exterior of a building, structure, or property within an overlay district shall require prior approval in the form of an Overlay Permit. An approval requires substantial conformance to design guidelines established for each overlay district. The design guidelines, along with other information regarding overlay districts, may be found at the following website: <https://louisvilleky.gov/government/planning-design/historic-preservation-landmarks-and-overlay-districts>

ROCKWALL® LARGE

PRODUCT NUMBER # 798

- Rugged exterior evokes the look and feel of naturally weathered stone
- Rear lips ensure precise setback and eliminate the material and labor costs of connectors
- Made of durable concrete that won't decay, distort, or attract pests. Iron oxide pigments won't fade with extended UV exposure

The RockWall retaining wall system brings an unmatched sense of permanence to any home landscape. Durable, easy to install, and attractive, RockWall system blocks can be configured in a variety of ways to create different wall aesthetics, including multiheight ashlar patterns, that naturally flow with your landscape's contours. The RockWall cap adds a finishing touch without cuts, creating a flawless professional appearance.
