POWERS	<p>(A) The Waste Management District shall have those powers and duties assigned to solid waste management districts under KRS 68.178 and KRS Chapters 109 and 224, as such statutes may be amended and supplemented from time to time, which powers include, but are not limited to, the powers and duties set forth in this subchapter.</p> <p>(B) Preparation and submission to the Cabinet, as the Cabinet may require from time to time, solid waste management plans and revisions and amendments thereto for Metro Government;</p> <p>(C) The planning, initiating, acquiring, constructing,</p>

maintaining and operating of solid waste management facilities;

(D) The authority to condemn land necessary for the acquisition of solid waste management facilities pursuant to the Eminent Domain Act of Kentucky and to exercise police power in respect thereto;

(E) The authority set forth in KRS Chapter 58 to issue bonds and other instruments of indebtedness at private or public sale for the purpose of financing and refinancing solid waste management facilities;

(F) The authority to promulgate regulations as to the licensure, construction, maintenance and operation of solid waste management facilities, including requiring the use of one or more solid waste management facilities by persons within Metro Government or designated ordinances thereof;

(G) The right to sue and be sued and to make contracts, including, but not limited to, long-term contracts and contracts with other districts, counties, cities and other governmental agencies directed toward the establishment of a multi-county or regional solid waste management area;

(H) The right to charge reasonable fees and rentals for providing and/or regulating solid waste management facilities in order to finance the District's operations, service its indebtedness and provide adequate funds for facility replacement. KRS 68.178 provides that the fiscal court of any county may license off-site waste management facilities located within the county with the imposition of a license fee. Therefore, pursuant to KRS 67C.101, the Metro Government has the authority to impose license fees. The Metro Government has assigned to the Louisville/Jefferson County Waste Management District all powers or duties given to it by KRS 68.178;

(I) The right to acquire by bequest, gift, grant or purchase such real and personal property or any interest therein as may be deemed appropriate in its area of operation, title to any such property to be in the name of and vested in the District;

(J) The Waste Management District Board shall provide a universal collection program, pursuant to KRS Chapter 224, for all municipal solid waste in the county, provided, however, the Board may assure access to the collection system through a registration program of waste haulers or by contracting with a person, county, or city or a combination thereof, for the entire county or portions thereof, as deemed to be in the best interest of the Metro Government; and

(K) The Waste Management District Board may adopt such rules and regulations as are necessary to carry out the purposes for which the Waste Management District was created and necessary for the adequate management of solid waste in a manner adequate to protect the public health and consistent with such rules and regulations as may be promulgated by the Cabinet.

	<p>(L) All regulations promulgated by the Waste Management District Board shall be filed with the Louisville Metro Council Clerk within three (3) business days of approval.</p> <p>The Louisville/Jefferson County Metro Government Waste Management District succeeds to the county's and Jefferson County Waste Management District's designation by the Cabinet as the solid waste management area within and for the geographical boundaries of the county. The District is charged with the responsibility for submitting, amending and/or updating on behalf of Metro Government the 1987 Cabinet-approved solid waste management plan and any and all subsequent plans.</p>
