Legislation for Reconsideration

President Yates made the following statement:

"In accordance with Rule 5.12 which states, 'A motion to commit or reconsider any matter shall be considered without debate. Therefore, the following items are being reconsidered from the March 10th Metro Council Meeting."

President Yates then provided the explanation for the following Reconsideration:

During the last Metro Council Meeting all Metro Council Members that had agreed to fund the NDF were not included, this reconsideration is to allow those to do so.

A motion was made by Council Member James, seconded by Council Member Woolridge, that this Ordinance be reconsidered. The motion carried by a voice vote.

A motion was made by Council Member James, seconded by Council Member Woolridge, that this Ordinance be amended as follows:

Add \$500 each from Districts 13, 15, 21 and 25 for a new total allocation of \$26,000.

The motion to amend carried by a voice vote:

The motion to approve carried by the following vote and the Ordinance as amended passed:

Yes: 24 - Shanklin, Woolridge, Hamilton, James, Leet, Owen, Hollander, Mulvihill, Kramer, Blackwell, Welch, Fowler, Butler, Downard, Stuckel, Parker, Denton, Benson, Johnson, Engel, Peden, Flood, Yates and Ackerson

Excused: 1 - Green

Absent: 1 - Tandy

President Yates provided the explanation for the following Reconsideration:

During the last Metro Council Meeting the following two ordinances were amended to include \$2.8 million from both the Public Works Salt Account and the Quality Care Charity Trust (QCCT). In the opinion of the Jefferson County Attorney, Louisville Metro Government does not have the authority to retrieve the projected \$2 million from the QCCT at this time. Upon termination of the Quality Care Charity Trust (QCCT) any remaining balance shall be retained for a period of one year as stated in the Trust agreement. Meaning, if we do not renew the Trust at the end of FY16, then any remaining balance will be proportionally appropriated to the four parties respectively -- University of Louisville, Commonwealth of Kentucky, University Medical Center and Louisville Metro. Therefore, Louisville Metro would not be eligible for any funding until FY17 under the Trust agreement. Only an amendment to the Trust agreement by all parties would allow Louisville Metro access to any remaining balance before FY17. I also reached out to Daniel Frockt, Louisville Metro Chief Financial Officer, after the last meeting to verify the outstanding balance of the Public Works Salt Account, I was then informed that only \$764,965.94 remained in the account. Therefore, leaving a shortfall of \$35,034.06 from the amended \$800,000. As such, I have requested these items to be reconsidered by the entire Council.
