Good morning Craig,

I received another call from this constituent concerning the sidewalk repair in front of 6518 Cady Dr. Do you happen to have the cost estimate for this location?

Thank you,

Hi Danielle,

I can definitely provide an estimate. I'll get that estimate to you within two weeks. While I didn't have enough funds to repair the sidewalk at 2525 Marguerite Dr this one may be small enough to fund with my repair budget. I'll try to inspect all of the sidewalks I have for D12's FY19 budget in the next two weeks as well so I can tell you if I'll be able to fund this one about the same time I finish this estimate.

Thanks,

Craig Allen, E.I.T.

Good afternoon Craig,

I received a call from a constituent who is concerned about the sidewalk in front of her property at 6518 Cady Dr. It was previously rated a 5 by Public Works with SR 5029687 and is now awaiting funding.

This particular location was not included in the list we received last year so our office is probably going to look into providing funding during the next budget cycle as we have already allocated all of our funds at the moment. Could you please provide a cost estimate for the repairs of 6518 Cady Dr?

Thank you,  
Danielle Tackett
