### **REQUEST(S)**

Conditional Use Permit to allow short term rental of a dwelling unit that is not the primary residence of the host in R-6 Multi-family zoning and Traditional Neighborhood Form District.

### **CASE SUMMARY/BACKGROUND**

The applicant requests approval to conduct short term rentals at the subject property. The subject property is developed with a single-family structure. The applicant states that the residence has 1 bedroom that will allow a maximum number of 4 guests. In addition, the applicant states there is a parking pad at the rear that will accommodate 1 car. The LDC credits the site for 1 on-street parking space.

The site in question had been granted a conditional use permit in 2018 to operate short term rentals, but the applicant failed to meet one of the specific standards required to obtain and maintain a short term rental conditional use permit. In the LDC, 4.2.63.L states that *"if the registration is not renewed and lapses for six months, or in the event of a change of ownership and/or host, a new registration is not issued within six months from the date of the change, the conditional use permit shall become null and void. In order to recommence short term rentals, a new conditional use permit must be granted if required by this Land Development Code."*

The applicant failed to register the subject property for longer than 6 months after a lapsed registration, therefore, will need to be granted a new conditional use permit before the city can issue a short term rental registration.

### **STAFF FINDING / RECOMMENDATION**

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.
