ARTICLE 2. MANAGERIAL RIGHTS

The parties to this Agreement desire to promote and maintain an excellent employment relationship and working conditions at the highest level. It is the right of Metro Government to operate and manage its affairs in all respects in accordance with its responsibilities. The rights of Metro Government shall include any subject not preempted by Federal, state or municipal law, but are not limited to:

Section 2. Nothing herein shall be construed to prohibit the Department Director from promulgating and adopting reasonable rules and regulations applicable to the Members not contradictory to the express provisions of this Agreement.

Section 3. Metro Government agrees not to enter into any agreement or contract with Members, individually or collectively, which in any manner conflicts with the terms and provisions of this Agreement.

ARTICLE 4. GENDER

Any and all reference in this Agreement to the masculine gender shall be deemed to refer to either female and/or masculine gender as the case may be.

ARTICLE 5. PERSONNEL FILES

Section 1. All official personnel records are the property of Metro Government and shall be maintained by the Human Resources Department. Only one (1) official file shall exist for each Member. However, nothing shall prevent management personnel from keeping their own individual files on personnel matters, provided that documents and/or materials in the individual files of management personnel shall not be introduced as evidence in any disciplinary

matter. Only those documents and materials in the official file of an employee may be introduced for such purposes.

Section 2. Metro Government will comply with the Kentucky Open Records Act as it relates to Members' personnel files. A Member shall have the right to review the contents of his or her personnel file. The Human Resources Department shall have three (3) working days to respond to any and all requests. Individuals, including Union Representatives, with written permission from a Member shall have the right to review the contents of the Member's personnel file. Reasonable requests to copy documents in the files shall be honored. The fee for photocopies shall be ten cents (.10) per page.

Section 3. Nothing in the Collective Bargaining Agreement shall be construed to allow the circumvention of Metro Government personnel policies regarding the release of personnel records, nor allow violations of the provisions of KRS 61.870, et seq. All official personnel files shall be kept confidential from the public to the extent possible under the Open Records Act.

Section 4. An AFSCME Member may submit a written document to his/her official personnel file for inclusion in the file. The document shall not contain any inflammatory or derogatory statements.

Section 5. Upon the written request of an AFSCME Member, Metro Government shall remove any documents pertaining to counseling and/or disciplinary after the specified timelines listed below. Counseling and or minor infractions after a twelve (12) month period has expired from the date of infraction.

ARTICLE 6. UNION SECURITY

Section 1. Membership in AFSCME is not compulsory. Members have the right to join or not join and neither AFSCME nor Metro Government shall exert pressure or discriminate against a Member regarding such matters. All Members in the bargaining unit who choose not to join AFSCME, however, shall be required to pay their fair share of the cost of representation by AFSCME, the amount of which shall be determined by AFSCME. AFSCME shall annually certify, in writing, the current and proper amount of its membership dues at least thirty (30) days prior to the initial deduction. AFSCME shall notify Metro Government of the cost of representation by AFSCME and the date for the commencement of the fair share deduction at least thirty (30) days prior to the initial deduction.

Section 2. The check-off of regular AFSCME membership dues and any initiation fees for new Members shall be made only on the basis of written authorization signed by the Member from whose pay the membership dues and initiation fees will be deducted. Membership shall continue from calendar year to calendar year unless Member notifies Metro Government and AFSCME expressly and individually, in writing, by certified mail that such dues are not to be deducted. Any written revocation of membership must be filed between August 1 and August 31 of the year immediately preceding the year in which the membership is to be cancelled. A

fair share fee may be deducted from Members' wages and remitted to AFSCME, with or without written authorization by the Member. The date for the commencement of the fair share deduction shall be determined by AFSCME with appropriate advance notice given to the Metro Government and affected Members.

Section 3. AFSCME dues and fair share fees shall be deducted bi-weekly, in equal installments, in an amount certified by AFSCME. All AFSCME deducted dues and fees, including fair share fees, shall be shown on the Members' paycheck stubs.

Section 4. AFSCME membership dues and fair share fees shall be transmitted to AFSCME by the tenth (10th) day of the succeeding month after such deductions are made. Metro Government will provide AFSCME with a list of employees from whom the deductions are taken with each remittance to AFSCME.

Section 5. AFSCME shall hold the Metro Government harmless against any claims, legal or otherwise, which may arise from these dues or fair share deduction provisions.

Section 6. P.E.O.P.L.E. - CHECK-OFF. Metro Government agrees to deduct from the wages of any Member of AFSCME a P.E.O.P.L.E. deduction as provided for in a written authorization. Such authorization must be executed by the Member and may be revoked by the Member at any time by giving written notice to both Metro Government and AFSCME. Metro Government agrees to remit any deductions made pursuant to this provision after showing the name of each Member from whose pay such deductions have been made and the amount deducted during the periods covered by the remittance. The check would be sent to the American Federation of State, County and Municipal Employees (AFSCME) International office, at the following address:

AFSCME International
P.E.O.P.L.E. Department
1625 L Street, N.W.
Washington, D.C. 20036

AFSCME agrees to indemnify, hold harmless and defend Metro Government from any actions, claims or damages asserted against it arising out of the enforcement of this Article.

Any authorization must be delivered to the Payroll Department in at least ten (10) working days before the payday on which it is to be effective.

Section 7. Metro Government and AFSCME shall share equally the cost of printing this Agreement.

Section 8. Return to the Bargaining Unit

If a Member moves to a position outside of the bargaining unit, he/she may voluntarily return to his/her former classification within the bargaining unit during the first twelve (12) months of such move. In order for a Member to return to his/her former job classification, a vacancy must exist in that classification. No bumping of subsequently appointed personnel shall occur.

Section 9. Posting of AFSCME Positions

When a new or vacant position covered by the AFSCME union is posted through the Metro Government Human Resources Department, such position shall be clearly marked as an AFSCME union position.

ARTICLE 7. UNION BUSINESS AND UNION STEWARDS

Section 1. Contract Negotiations

AFSCME may be represented by its President and Vice-President and not more than thirteen (13) AFSCME Members in the negotiation of a collective bargaining agreement during working hours without loss in compensation. The names of such representatives of AFSCME shall be submitted to the appropriate Directors. Directors should be notified if there is a change in representatives on a temporary or permanent basis.

Section 2. Stewards

(A.) Metro Government and AFSCME agree that due to the number of locations in which the Members covered by this Agreement work, AFSCME shall designate thirty-seven (37) stewards who undertake the duties herein without loss of pay as follows:

Department of Public Health & Wellness	ten (10) stewards
Community Services & Revitalizations	five (5) stewards
Youth Detention	four (4) stewards
Corrections	six (6) stewards
Animal Services	two (2) stewards
All other departments	ten (10) stewards

The duties of the stewards for the purposes of this Section shall be limited to:

- (a) investigating and/or presenting grievances;
- (b) communicating information from AFSCME to its Members in writing or if not in writing, information of a routine nature which will not interfere with Metro Government business;
- (c) administration of the Agreement;
- (d) Union Representation for a Member when requested at any disciplinary or fact finding investigation or meetings.

(B.) Should it become necessary for a steward to leave his workstation during normal working hours for any purpose set herein, the steward shall notify his supervisor. The supervisor shall make reasonable efforts to allow the steward to leave his workstation and the permission of the supervisor shall not be unreasonably withheld.

Section 3. Officers

Metro Government shall grant time off up to a maximum of one thousand (1000) hours per calendar year for Union business with pay for the performance of Union business by either the President, Vice-President or AFSCME officers with the exception of contract negotiations. Any hours worked on Union business by the President, Vice-President or AFSCME officers in

excess of one thousand (1000) hours within a calendar year shall be considered an approved unpaid leave.

Metro Government shall grant unpaid leave of up to ten (10) workdays for up to ten (10) Members to attend AFSCME conventions and meetings.

Section 4. Union Access

(A.) Bulletin boards. Metro Government agrees to provide AFSCME designated space for bulletin boards upon which AFSCME may post notice of meetings, announcements, or information of interest to its Members. The number and placement of bulletin boards shall be mutually agreeable. AFSCME further agrees that it will not post any material which would be derogatory to any individual, Metro Government, its Departments, or which constitutes campaign material for or against any person, organization, or faction thereof. Campaign material does not include announcements or information regarding internal campaign elections of AFSCME. Any material which Metro Government determines to be in violation of this Agreement may be removed by Metro Government and AFSCME will be so informed. In addition, the Metro Government agrees AFSCME may use electronic mail for exactly the same purpose and in exactly the same manner it uses bulletin boards. Except for meeting notices, electronic mail must be authored by an AFSCME representative and copies of any material so electronically mailed shall likewise be furnished to the appropriate Director or designee prior to distribution.

(B.) Access to work locations. With reasonable notice to the appropriate Director or designee and with the approval of the Director or his designee, both employee and non-employee representatives of AFSCME shall be allowed access to work locations not accessible to the general public. Such approval shall not be unreasonably denied.

Solicitation of membership activities concerned with the internal management of the Union and distribution of literature shall not be conducted during working hours, except during designated lunch and break times in designated break areas.

Section 5. Unpaid leaves approved

Upon the approval of the appropriate Director or designee and at the request of AFSCME, up to two (2) Members who are elected or appointed to positions with AFSCME may be granted leave without pay. Any such Member granted leave shall be reinstated without loss of seniority to his former position within two (2) weeks' written notice of the intent to return. No leave of absence granted under this section shall exceed the length of this Agreement.

Section 6. Union insignia

Members shall be allowed to wear collared shirts in good condition, reasonably sized pins, buttons or hats reflecting membership in AFSCME, provided, however, those Members working in a service uniform shall be required to have said reasonable size pins, buttons or hats approved by the Director or his designee prior to wearing said pins, buttons or hats on their uniform. Such approval shall not be unreasonably withheld.

Section 7. Record of New and Rehired Employees.

Metro Government shall furnish a copy of the appropriate payroll form applicable to each new or rehired employee to the Union within a reasonable period following his/her employment.

Metro Government shall provide the Union, within a reasonable time period, reports on hired, vacant and terminated AFSCME Union positions.

Section 8. Labor-Management Meetings/Committees

Metro Government and AFSCME shall meet no less than twice per calendar year for the purpose of discussing issues important to both. AFSCME shall be responsible for calling the meetings. The meetings shall not be an extension of collective bargaining. The parties have no authority to amend, modify or change the collective bargaining agreement. The issues that may be discussed include work place safety, job classifications, training needs, staffing concerns and other general issues.

In addition, Metro Government departments with AFSCME employees, and AFSCME, may meet no less than one (1) time per calendar quarter for the same purpose and with the same conditions listed in the above paragraph. AFSCME shall be responsible for calling the meetings.

Employees who are Members of the Joint Labor/Management Committee established pursuant to the Agreement shall be allowed a reasonable time away from their regular duties to engage in such committee meetings. When it becomes necessary for a committee Member to leave his/her work station during his/her work hours, such committee Member shall notify his/her supervisor. Prior approval to leave a work station must be obtained by the committee Member from the supervisor. Unless a bona fide emergency exists, the supervisor shall make every reasonable effort to make it possible for the Committee Member to leave his/her work station to engage in the Labor/Management Committee meetings. It is understood and agreed that the attendance at Labor/Management Committee meetings during work hours shall be without loss of pay. Every attempt shall be made to schedule meetings and activities during normal work hours.

Section 9. Union Orientation

The Union will be allowed fifteen (15) minutes during the respective department orientation process for newly hired Metro Government employees, in which to make a presentation regarding Union membership for eligible employees. Metro Government shall advise AFSCME of employee orientation schedule dates and times.

Section 10. Meeting Space

Metro Government agrees to provide meeting space, if available, upon request to the appropriate Metro Government official.

The individual departments will make every effort to provide an area of privacy for the steward and grievant when engaged in grievance handling, or matters pertaining to employee discipline.

Section 11. Discrimination/Coercion

There shall be no discrimination or coercion against any employee because of membership, duties, participation with, or affiliation with a labor union, including those of stewards, officers, negotiators, and committee members.

ARTICLE 8. DISCIPLINE

Section 1. Metro Government shall have the right to discipline Members for just cause. Any of the following actions may be taken when necessary to discipline a Member. With the exception of counseling, disciplinary actions must be in writing and must inform the Member of the opportunity to grieve the action in accordance with this Agreement. With the exception of counseling, warnings and reprimands, all intended disciplinary actions must be reviewed by the Director of Human Resources or designee. Any disciplinary action shall be reasonable and commensurate with the offense. The purpose of discipline, in this Article, is not merely to punish bargaining unit employees. Discipline is also intended to improve the employee's behavior.

No previous minor infractions may be considered except for those brought within the immediate preceding six (6) months. Minor infractions are defined as infractions that were handled with progressive discipline beginning with a counseling statement and have not progressed beyond a written reprimand.

No previous major infractions may be considered except for those brought within the immediate preceding one (1) year. Major infractions are defined as infractions that were not handled with progressive discipline or include suspension or dismissal.

a. **COUNSELING:** In cases of minor infractions, efforts will be made to correct the Member through counseling and other non-punitive means. Metro Government will maintain a written record of such counseling. Counseling is not discipline, and will not be included in the employee's official personnel or disciplinary file.

b. **WRITTEN WARNINGS:** When infractions of rules are more serious or there are repeated minor infractions of a like/similar nature, a supervisor may issue a written warning to a Member. Written warnings shall be in writing and given to the Member and his Steward. The Director or designee will send a copy of the written warning to the Human Resources Department where the written warning will be placed in the Member's personnel file. The Member may grieve a written warning through the Grievance Procedure in this Agreement.

c. **WRITTEN REPRIMANDS:** When infractions of rules are major, or there are repeated minor infractions, a supervisor may reprimand a Member. Reprimands shall be in writing and given to the Member and his steward. The Director or designee will send a copy of the reprimand to the Department of Human Resources where the reprimand will be placed in the Member's personnel file. The Member may grieve a written reprimand through the Grievance Procedure in this Agreement.

d. **SUSPENSIONS:** The Director or designee may recommend that a Member be suspended without pay for serious infractions of rules. Suspensions may extend over a period or periods of up to twenty (20) days during any twelve (12) consecutive months. The Member may grieve a suspension through the Grievance Procedure in this Agreement. Suspensions of more than twenty (20) days in a 12-month period shall result in dismissal of the Member.

When a Member is recommended for suspension because of progressive action, the Member shall remain on the payroll until a final decision of the Director to suspend the Member. The Member shall then be removed from the payroll and from work duties for the period of suspension. Additionally, if the suspension is affirmed, the Member may continue with the grievance procedure at the next level.

e. **DISMISSALS:** The Director or designee may recommend that a Member be dismissed for the most serious infractions of rules or a continued pattern of less serious infractions. The Member may grieve a dismissal through the Grievance Procedure in this Agreement.

Section 2. A Member shall have the right to have an AFSCME representative, a steward or an officer, with him/her at any fact finding or disciplinary meeting. If neither a steward, officer, or non-Metro AFSCME representative are available, a bargaining unit Member may request another bargaining unit Member to attend the proceedings as a witness.

Section 3. If a grievance of a disciplinary action results in a withdrawal or change of such disciplinary action, the record of the disciplinary action shall be changed or removed from the Member's file to reflect the results of the grievance.

Section 4. When a non-criminal complaint alleging misconduct or rule violation by a Member is received, the complaint shall be investigated in a reasonable amount of time and a determination made as to the appropriate action to take. Metro Government shall not be required to investigate anonymous complaints. If the complaint alleges criminal activity on behalf of the Member, the claimant shall be referred to an appropriate law enforcement entity.

Section 5. A meeting on disciplinary action for minor infractions only shall be held by the Director or designee no later than ten (10) workdays from the date that the investigation and/or fact-finding process of the alleged incident has been completed.

Section 6. A copy of any disciplinary action that is to be placed in a Member's file shall be given to that Member and the Union by giving same to the Union Steward.

Section 7. Any disciplinary notice provided the employee shall also be provided to AFSCME whether or not the employee waives representation.

ARTICLE 9. GRIEVANCE PROCEDURE

Section 1. A grievance is defined as a dispute involving the interpretation or application of a specific provision of this Agreement. The grievance procedure contained in this Agreement is the sole and exclusive means of resolving all grievances arising under this Agreement. The following matters are considered grievable issues:

- (a) Computation of salaries;
- (b) Working hours;
- (c) Working conditions;

(d) Only the disciplinary actions as specified above as grievable

Section 2. A grievance may be initiated by AFSCME or an aggrieved Member. Metro Government shall not retaliate or discriminate in any manner against any Member for initiating a grievance. A Member shall have the right to have an AFSCME representative, a steward or officer, at any fact-finding and/or disciplinary proceeding.

Section 3. Grievances, as defined herein, which may arise shall be settled in the following manner:

Step 1. Within ten (10) workdays of the aggrieved event, or within ten (10) workdays of when the Member and/or AFSCME could have reasonably known of the aggrieved event, the Member and AFSCME shall meet with the Member's most immediate supervisor outside of the bargaining unit during the Member's regularly scheduled work period and attempt to resolve the grievance.

Step 2. If the grievance is not satisfactorily resolved at that level, the Member and AFSCME may, within ten (10) workdays of the conference, request, in writing, a conference with the Director or designee. This conference shall be held during the Member's regularly scheduled work period with the Director or designee within ten (10) workdays of the request. The Director or designee shall give a written answer to the Member and AFSCME within ten (10) workdays of the conference. The Member's AFSCME representation at this step shall be limited to one (1) steward or employee-officer and one (1) non-employee representative.

Step 3. If after this conference, the grievance is still not resolved, within ten (10) workdays of receipt of the Director's or designee's written answer, the Member and/or AFSCME may forward the written grievance to the Director of Human Resources. The Director of Human Resources, or designee, may schedule a conference with the aggrieved Member and AFSCME to assist in resolving the grievance. The Member's AFSCME representation at this and all subsequent steps in this grievance procedure is limited to one (1) steward or employee-officer and two (2) non-employee representatives, inclusive of an attorney if used. Within 45 (forty-five) days of receipt of the grievance, the Human Resources Director will make a determination and advise the Director or designee and the Member and AFSCME of the decision in writing. The Director of Human Resources may execute a one-time extension, with prior notification to the Union, for ten (10) days.

Step 4. If the Member and AFSCME are still aggrieved after the decision of the Director of Human Resources, the Member and AFSCME may forward the grievance in writing within twenty (20) workdays from the receipt of the Director's decision to a mediator of the Kentucky Labor Cabinet, the Federal Mediation and Reconciliation Service or the Louisville Labor Management Committee. The mediator may schedule a conference with the aggrieved Member to assist in its determination. Within thirty (30) days after receipt of the grievance, the mediator will make a determination and advise the Director of Human Resources, the Member and AFSCME of his/her recommendation.

The mediator shall have no authority, jurisdiction or right to alter, amend, modify, ignore, add to or subtract from or change in any way any term or condition of this Agreement or to recommend an award which is in conflict with any provision of this Agreement. The mediator shall consider only the specific issue or issues submitted to him/her and shall confine the decision to a determination of the facts and an interpretation and application of this Agreement.

Step 5. If the Member and/or AFSCME are still aggrieved after the recommendation of the mediator, the Member and AFSCME may forward the grievance in writing within twenty (20) calendar days from the receipt of the mediator's recommendation to an impartial arbitrator selected by the parties in accordance with the procedures established by the Federal Mediation and Conciliation Service or the American Arbitration Association. The arbitrator shall schedule a conference with the aggrieved Member to assist in his/her determination. Within sixty (60) calendar days after receipt of the grievance, the arbitrator will make a determination and advise the Mayor, the Member and AFSCME of his/her decision. The arbitrator shall have no authority, jurisdiction or right to alter, amend, modify, ignore, add to or subtract from or change in any way any term or condition of this Agreement or to recommend an award which is in conflict with any provision of this Agreement. The arbitrator shall consider only the specific issue or issues submitted to him/her and shall confine the decision to a determination of the fact and an interpretation and application of this Agreement. The arbitrator's decision shall be advisory on all parties. The cost of arbitration shall be equally divided between AFSCME and Metro Government.

The Director of Human Resources, after consulting with the Mayor, will then advise the Member whether the determination and recommendation of the mediator will be accepted.

Section 4. If a grievance is not responded to within the specified time limits provided for herein unless prevented by agreed upon good cause or the time is extended by mutual agreement of the parties, the Member or AFSCME may advance the grievance to the next step, except in Article 9, section 3, step 3, in which the proposed resolution to the grievance by the AFSCME Member stands.

Section 5. Members required to attend presentations, conferences or hearings during the grievance procedure shall be compensated at their regular rate of pay. It is understood by the parties that overtime will not be paid to any Member for any of the above listed proceedings.

Section 6. Once filed, only the Union has the right to process grievances for the Members.

Section 7. AFSCME reserves the right to settle grievances at any stage.

ARTICLE 10 – SENIORITY

Section 1. The principle of seniority is sound and seniority rights shall prevail. Departmental seniority of a Member begins with the most recent date of employment with his/her Department in an AFSCME position. Metro-wide seniority of a Member begins with the most recent date of employment with Metro Government, the former Jefferson County, or City of Louisville, as the case may be. Provided, however, all probationary employees must have completed their probationary period after which their seniority shall then revert back to the most recent date of employment.

Section 2. Seniority shall be considered continuous unless the Member:

- a. Is terminated for cause;
- b. Voluntarily resigns or retires;
- c. Is laid-off for lack of work and not recalled within two (2) years of such layoff;
- d. Fails to return to work by recall subsequent to a lay-off within seven (7) days after having been notified to do so by certified mail to last known address.

When a Member is terminated for any of these reasons and is subsequently re-employed, he shall be considered a new employee for all purposes.

Section 3. If a Member moves into a position of equal or higher salary outside of the bargaining unit and then is returned to the unit for any reason but his personal choice within the next twelve (12) month period, such return is with restoration of seniority for purposes of vacation, sick time accrual and rate of pay only. If the Member does not return to the bargaining unit within the twelve (12) month period, unless otherwise provided herein, that Member loses all seniority.

(3) An employee whose controlled substances test results in a positive report must be removed from his/her job duties and cannot be returned to those duties until the employee has been evaluated by a substance abuse professional and complied with recommended rehabilitation and has a negative result on a return to duty drug test. Metro Government will follow the below listed disciplinary steps related to CDL alcohol testing:

Split Sample

A split urine sample shall be collected in all cases of drug testing for an analysis in the event of a positive test result. All urine samples must be stored and preserved in a manner that conforms to Health and Human Services (HHS) guidelines.

Metro Government will provide Members who test positive for drugs with an opportunity to have the split urine specimen tested by a clinical laboratory at the Member's expense, provided the Member notifies Metro Government within seventy-two (72) hours of receiving the positive results and provided further that the laboratory or clinic and testing procedures, including chain of custody, meets or exceeds the standards established in the contract.

Consequences of a positive drug test

The result of a positive drug test will result in immediate termination of employment.

Nothing in the law or in this policy prohibits Metro Government from exercising its independent management prerogative in applying appropriate discipline. Any employee who engages in behavior prohibited under this drug and alcohol policy shall be subject to discipline up to and including termination of employment.

We recognize that alcohol abuse and illegal drug use pose a significant threat to our goals. We have established a drug-free workplace program that balances our respect for individuals with the need to maintain an alcohol and drug-free environment.

Metro Government recognizes that alcohol and drug abuse and addiction are treatable illnesses. We also realize that early intervention and support improve the success of rehabilitation. To support our employees, our drug-free workplace policy:

ARTICLE 27. ERODING THE BARGAINING UNIT

Upon consultation with the employee and his/her immediate supervisor at least ten (10) working days prior to the end of the initial one hundred and twenty (120) day probationary period, the Department Director or designee will provide the employee whose probationary period is being extended with a written evaluation of the employee's performance explaining what the employee must do to satisfactorily complete probation.

Section 3. If any article or section of this Agreement should become invalid by operation of law or be declared invalid or permanently enjoined by any court of competent jurisdiction, the remainder of this Agreement shall not be affected, and either party may request collective bargaining negotiations concerning the invalid provision within thirty (30) days of its invalidity.
