This change request will be considered at the next appropriations committee meeting. I just need confirmation this \$6,516.40 is enough. I have another \$1,867.60 if you need any of it, but I need to know before I submit the information.

Thank you,

Beth

All,

My contractor has verified receiving payment for the new sidewalk on South 45<sup>th</sup> Street. We can close PO#350959-1 now. Beth Stenberg is creating a new ordinance with the leftover money so we can install 2 speed humps along this corridor. The leftover amount should be \$6,516.40.

Thanks,
