Hello, my name is Laurie Millam, address is 5500 London Dr, and I and the other two adults in this household (Glenn Millam, Victoria Wilcox) would like to register our objection to the proposed property development at the end of McDeane/Bruns.

I share my neighbors' concerns about vehicle traffic, etc, but being on a corner lot I'd like to register an additional concern about added foot traffic. We have no sidewalks, and because we're on a corner lot, we *already* get a lot of people cutting across our yard, often so close that they end up walking 1-2 feet away from our bedroom windows. 😊 I have stage iv cancer which in my case means I will be on chemo pretty much permanently, and fatigue from the chemo often means I need to take naps whether I want to or not. As I'm sure you can imagine, having someone right outside your window can lead to a startling and unpleasant awakening, and I am very concerned, healthwise, that adding an additional 100+ people in the area will shift this from being an occasional occurrence to near constant. Beside this being a legal trespassing concern, it's a literal health concern for me. Glenn also works 3rd shift as a nurse and has to sleep during the day, so additional noise in the area would also be a major concern for us.

Thank you very much for listening to our concerns,

Laurie & Glenn Millam, Victoria Wilcox
