I understand that knowingly providing false information on this application may result in any action taken hereon being declared null and void. I further understand that pursuant to KRS 523.010, et seq. knowingly making a material false statement, or otherwise providing false information with the intent to mislead a public servant in the performance of his/her duty is punishable as a Class B misdemeanor.

Please submit the completed application along with the following items:

Required for every application:

- Land Development Report¹
- Current photographs showing building front, specific project area, and surrounding buildings
- Elevations, pictures, samples, brochures, or other technical data describing materials, such as windows, doors, roofing, fencing, etc. to be used in the renovation or replacement

Site and Project plan: *(required for building additions, new structures and fencing)*

- Site plan drawn to scale with dimensions, as applies to the project, indicating property lines, structures, landscaping, fencing, and parking
- Floor plans drawn to scale with dimensions and each room labeled
- Elevation drawings (a drawing showing exterior walls) drawn to scale with dimensions.
For fencing, only photos/drawings of the proposed fence are required.

Committee Review Only

Committee reviews may be required due to the complexity of the case. The necessity of these items will be determined by staff upon review. Projects requiring committee level review include construction of new buildings, demolition, and projects that vary widely from design guidelines.
