SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

MISSION

Bridge Kids International, Inc. links youth and young adults of Africa and the African Diaspora for the purposes of friendship, cooperation, and individual and community empowerment, implementing the idea of dynamic global citizenship.

Bridge Kids is a global non-profit organization helping young people of Africa and the African Diaspora, aged 13-25, unleash their social entrepreneurial spirits to solve economic development, education, environmental, girls' rights, and health challenges and build sustainable communities.

VISION

Bridge Kids International believes that young people of Africa and the African Diaspora have within them the genius and capacity to solve challenges in their lives and communities. We link young leaders from Africa and the African Diaspora, creating a dynamic global community based on real work, a sound understanding of the interconnectedness of issues and people, a genuine concern for and curiosity about each other, and a deep recognition that young people - when provided with resources and given the chance- have the ability to create lasting change.

Through Bridge Kids, young people from large urban centers to remote rural villages gain access to the world. They join a network of budding social entrepreneurs who tap into their own creativity to create smart solutions to real challenges. By helping young people improve their lives and home communities, learn about global issues, and travel internationally, the organization gives them a mechanism to exercise their leadership, access their human rights, and expand their worldview while making real friends across the globe. Bridge Kids has a multiplier effect; we impact young people and they impact others in their communities. As the small scale actions of many inspired people coalesce into a wave of transformation, the possibilities for change become limitless.

SERVICES

Bridge Kids International establishes Bridge Kids Groups globally. Bridge Kids Groups are comprised of young people aged 13-25 who work in their home communities developing projects in the areas of economic development, education, the environment, girls' rights, and health, while forming a global network of friendship, cooperation, and support with other Bridge Kids Groups around the world. Bridge Kids Groups are run locally and are often connected to existing programs for young people. The young people work on their projects and activities locally under the direction of their Adult Advisors. Bridge Kids International organizes the international activities that connect Bridge Kids Groups around the world and helps build the capacity of the groups. We currently have Bridge Kids Groups in Bukavu, East Democratic Republic of Congo; Ada, Ghana; Tolon, Ghana; Kingston, Jamaica; Kigali, Rwanda; Saint-Louis, Senegal; Kampala, Uganda; and Louisville, KY, USA.

In an effort to support Bridge Kids Groups, further address Bridge Kids' five focus areas, and build sustainability for the organization, Bridge Kids International strategically establishes projects in the communities where it operates. Under its new program, Bridge Kids Builds, the international organization and partners are building a mud brick factory and community development center in Saint-Louis, Senegal. In partnership with the local community in Tolon, Ghana, Bridge Kids International has established a Communication Café. In Louisville, KY, the organization is working on Mending the Bridge, a model to strengthen relationships between African-Americans and African nationals in the city. A key component in that effort is the African Heritage Festival. Also in Louisville, Bridge Kids International is rehabilitating vacant buildings to create spaces for young people to develop their social entrepreneurial projects.

SECTION 4 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

The funding request is for Louisville's African Heritage Festival. Held on Saturday, August 23rd at the Kentucky Center for African American Heritage (KCAAH,) the event will be a city-wide celebration of unity, culture, art and history across the African Diaspora. Hosted by Bridge Kids International, KCAAH, the Kentucky Old School Sports Association, and Dudley Q KY Group, the African Heritage Festival is being organized by a dynamic team from across Louisville representing a variety of countries and backgrounds. The whole city will be invited to this unifying day that will be fun, educational, and certainly full of flavor. Last year's event, the first of its kind in the city in over 30 years, drew over 650 participants. Our goal is to attract 1000 people this year.

The African Heritage Festival will be a joyous day-long event for the whole family with great food, music, sports, dance, theater, fashion, cultural demonstrations, children's activities, resources for healthy living and so much more. Louisville prides itself on its compassion and diversity and celebrating its African, African-American and Caribbean neighbors as they showcase their cultural pride is a fitting effort for our city. Because the African Heritage Festival is a city-wide event, we are seeking support from several Metro Council Districts to the meet the \$5,000 request.

The African Heritage Festival Soccer Tournament will begin at Champions Park. The soccer semi-final and final games, along with a basketball tournament and volleyball clinic, will take place at Old Walnut Street Park. The event is city-wide and we are recruiting performers, community groups, vendors, athletes, volunteers, and attendees from across Louisville. The African Heritage Festival is one of the few free and open community events offered by the KCAAH and the planning team is making a special effort to engage people in the immediate neighborhood. Prior to the festival, volunteers will canvass the community along the Muhammad Ali Blvd. corridor from 9th to 22nd Streets to invite people to participate.

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

Louisville's African Heritage Festival celebrates the African Diaspora, a wide range of cultural groups in the city, including African-Americans, Africans and Caribbeans. In the past few years, the populations of people from Africa and the Caribbean have been growing in the Louisville. It is important to offer a warm welcome to our new neighbors and educate the wider community about the increasing diversity of cultures in the city. Additionally, some tensions have been reported between African-Americans and new arrivals from Africa. The African-Heritage Festival provides a safe, positive environment for groups to work and play cooperatively and celebrate one another. The African-Heritage Festival is a unifying event and stands proudly in the company of other annual cultural festivals in the city.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.
Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
