Profile

Raised on a farm outside of Elizabethtown, Kentucky afforded me the opportunity to learn the importance of hard work and perseverance from an early age. Since 2007 I have been a resident of the Old Louisville Neighborhood in Louisville, Kentucky. In 2015, following an 11 year project management career in the construction industry, I transitioned into the field of real estate.

Experience

Realtor, Semonin REALTORS; Louisville, KY — 2015 - Current

As a licensed Realtor, I act as a trusted advisor for the transaction of real estate, in both the residential and commercial sectors, specifically for property of historical significance and/or located within a historic preservation district in the greater Louisville region. I have achieved the following in my short tenure: 2016 Rookie of the Year, graduate of the 2017 GLAR Leadership Institute, member of Business First's 2017 20 People to Know in Real Estate, and 2018 Top Producer.

Senior Project Manager, Tommy Bramer & Son; Louisville, KY — 2011 - 2015

My role as a senior project manager required active participation from the beginnings, by working with clients in the project development phase, to project closeout, ensuring the client received a quality finished product within both time and budget constraints. I played a vital role in the award and successful completion of a large demolition contract with the Department of Defense in excess of \$6 Million for military installations within a 200 mile radius of Louisville KY. Beyond the federal government awards, I also managed projects in the local government, state government, commercial, and industrial manufacturing sectors specific to the phases involving demolition, earthwork, concrete, raw material logistics and limited design/build.
