I, Lisa Abbott, would like to use a home I own, 548 Brentwood Ave. Louisville, KY 40215, as a short term rental. This home is not my primary residence. This is a single family residence (R5). The house has 2 bedrooms, a kitchen, living room, 1 bathroom and mudroom with laundry, which would all be included in the rental. I don't plan on renting out the attic space and will instead use it to store cleaning supplies and extra bedding, linens, etc. Guests will be welcome to enjoy the front yard and fenced in backyard.

I am an ESL Teacher and teach with VIPKID. Additionally, I am an elementary tutor for The Academy of Louisville. My husband, Diego Hernandez Lopez works with FOKO in the Logan Street Market and recently opened his own bakery, La Pana, also within the market.

We are really looking forward to making our house on Brentwood Ave a welcoming and enjoyable place for guests during their stay in Louisville.

Thank you very much for your time and consideration,

  
Lisa Abbott
