FYI-

Would D14 be willing to pay the \$32,000 for Johnstontown from trade port to Yuma?

Liz,

Here are the estimates you requested:

1. Ledgewood Parkway – this is the entrance to the Ledgewood Apartments. It's a private road and is being maintained by the apartment complex. I'm not sure how it made it into our inventory but I've made the correction.
2. Pikes Peak Blvd from Manslick Road to Table Mountain Avenue: \$80,000
3. Greenview Drive from Lower Hunters Trace to Hunters Point Circle: \$70,000
4. Milner Road – this road isn't in terrible shape, I would hold off on any paving here for another year or two.
5. Mount Holyoke Drive from Hunters Point Circle to Mount Blanc Road: \$60,000
6. Barbrook Road from 7614 Norwich Blvd to Kenhurst Drive: \$12,000
7. Johnstontown Road from Tradeport to Yuma Way (D14): \$32,000
8. Johnstontown Road from Yuma Way to Johnstontown Drive (D12): \$28,000
9. Johnstontown Road from Johnstontown Drive to Greenbelt (D14): \$100,000

Let me know if you need anything else.

Thanks,
Andrew

Andrew –

Please add the remainder of Johnstontown Road for estimates. I spoke with Michael about this and D14 is interested, but wants to know the cost.

Thanks,
Liz Kennedy

Liz,
I can get you something on these early next week.

On Johnstontown Road, I would consider working with D14 on that route. I looked at it for D14 last year and I would prefer not to pave one block in the middle of the road when sections on both ends stretch into D14 need to be paved also.

Flintlock Drive is not on the PW paving schedule at this time. It's probably a year or two out from making our list.

Thanks,
Andrew

Good Afternoon Andrew –

Councilman Blackwell would like paving estimates for the following roadways:

Ledgewood (Manslick to Ledgewood Court) – Rated 16

Pikes Peak Blvd – (entire length)

- Beau – High Pine – Rated 3
- Patio – Hill Peak – Rated 37
- Manslick – Leon – Rated 45
- Leon – Beau – Rated 47
- High Pine to Patio – Rated 59

Greenview Drive (entire length)

- Greenview Ct – Marguerite – 27
- Krause – Lower Hunters – 38

Milner Road – Rated 24

Mount Holyoke –

- Hunters Point – Mount Everest – 28
- Mount Everest – Matterhorn – 47
- Matterhorn – Mount Marcy – 55

Barbrook (Norwich to Kenhurst) – Rated 27

Johnsontown Road (Yuma to Johnsontown) – 53

We also want to confirm that Flintlock Road is one of the roads that PW plans to pave (without CIF/MAP Funding).

The MAP MATCH spending deadline really snuck up on me. Is there any way we can get these estimates by late next week? (I know that is asking A LOT).

Please give me a call tomorrow to discuss.

Liz

Michael,

As I am in Washington for the NLC Conference, you have my permission to sign both the MAP and CIF forms for the Johnsontown Rd paving project.

Thanks!
