Jeff,

I received an email from KYTC regarding this concern. I believe they will be supportive of the installation of markings. Was this funded project approved?

Thanks,

Stuart

Patricia,

Please work up a cost estimate to hatch out the below shown section of E Main St. We will use 8" white thermo for the cross hatching and 4" white thermo for the outline. Also, quote the addition of "No parking" text.

Thanks,

Seth & Stuart,

Can you guys work up a cost estimate to install hatching and possible NO PARKING text in front of the driveway at 626 E Main St? It looks like the full length of the signed no parking area is 65'
