Cynthia,

I would like to notify you of my support for the “Individual Landmark” designation for the Nelson Distillery Warehouse. I think it is very important that we preserve these buildings that represent Louisville. While I am support of thoughtful development, I do not want to see this site at the whim of a developer that would like to use the land for other purposes.

Unfortunately, I will not be able to attend the meeting tomorrow to offer my support in person.

Thank you,

Mark Gaff
