Major Harper,

Per your conversation with Councilwoman Fowler and in order to process the funding transfer, I need your confirmation that your division will accept District 14 NDF funding for overtime operations use within District 14, specifically the targeted ATV operation on the Levee Trail.

Please respond to this email that you will accept the funding and I will initiate the appropriation.

Councilwoman Fowler,

In an effort to maximize the monies to ensure we get as much coverage as possible. I intend on running two Officers/ATV's a minimum of 12hrs a weekend for 5 weekends. Officers will be paired up due to the safety issue along the floodwall. Each officer will work 3 hrs per shift. We will also do enforcement during the evening hours to ensure we are hitting at the peak times. We might change the patrol times after an assessment is made on the issue.

Thanks so much for the support.

Major J. Harper
