Whichever works best for you -- late May or June 17. We will get you the money and let me know the date so we can do a flier. If the other dates are close to it -- let me know those as well and we can do one flier.

Thanks! Marianne

We have one scheduled for June 10th.....we can try June 17th or do you want to do one in May? If we can use the truck price is \$700!

Sounds great! We always do it at Wyandotte Park by the old pool house -- does June 10 or June 17 work? Maybe we can do each weekend in June and a big presser for it.

Thanks for thinking of me -- let me know how much

Well some great news, I have been working to partner with Pets for life to use their vehicle for rabies clinics.....this is a state of the art vet vehicle! We will be doing our first(trial run) one using the truck April 25th at Animal House. This is way better than the old spot trailer. If you want to do it, get me some dates and I will coordinate with them. We can take this any place. I would suggest some place with parking for citizens and restrooms. Councilwomen Flood and Welch will be doing one in June.....maybe if we lock in your date we do some press for it, coordinated with them.

Ozzy
