Chanelle,

It is my understanding that D19 is going to submit for funding of \$75,000.00 to make various improvements on N English Station Rd between Aiken (closest to Shelbyville Rd) and where the roadway turns into Old Henry Rd. With this funding, Public Works intends to repave the section of roadway between Middletown Industrial Blvd and Aiken Rd (furthest away from Shelbyville Rd). Additionally, we will complete various base failure reconstruction repairs on the section heading north of Aiken towards Old Henry Rd.

Thanks,

Matthew R. Haines, PE
