Describe Agency's Vision, Mission and Services:

SEAM provides help for today and hope for tomorrow.

We do this by offering emergency food and financial assistance and by connecting our neighbors with the resources needed for achieving self-sufficiency and well-being.

In addition to our core services, we provided 367 Thanksgiving dinners and 250 school supply packs to our neighbors in 2017. We also regularly refer and work with businesses and nonprofits by connecting our clients with services they need to reach self-sufficiency.

Today we are focused on working with other agencies, businesses, and non profit organizations to help people receive the help they need today and adequate employment in the near future.

SECTION 5 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

SEAM owns the building it operates in to provide emergency food and financial assistance to residence in the 40218 and 40220 zip codes. As one of the largest Dare to Care distribution sites and the main provider of electric, water, and rent assistance in the area, it is crucial that our building and equipment remains safe and efficient.

We are requesting financial support to expand our food room that serves food to over 12,500 residents in need five days a week. Because of our massive increase of grocery and restaurant pick ups on 4 days per week, we have out grown our food room. By expanding our food room to 400 additional square feet, our delivery drivers will have a safe and efficient space to drop off, weigh, and report food. Currently, the deliveries interfere with the food room operation because the space is too small and is also a safety concern. Completing these repairs and performing the requested maintenance will promote personal safety, help protect over 100,000 pounds of donated food, and save tens of thousands of dollars in the future from neglecting these needed repairs. It will also allow us to add additional food pick ups that we have had to decline in the past (ie. Panera Bread, local school food drives, etc.) for reasons stated above.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

C: If this request is a fundraiser, please detail how the proceeds will be spent:

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

MA

- The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:
 - ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

na

- Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):
 - ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
 - ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

SEAM owns the building it operates in to provide emergency food and financial assistance to residence in the 40218 and 40220 zip codes. As one of the largest Dare to Care distribution sites and the main provider of electric, water, and rent assistance in the area, it is crucial that our building and equipment remains safe and efficient.

We are requesting financial support to expand our food room that serves food to over 12,500 residents (nearly 5,000 children under 18) in need five days a week. Because of our massive increase of grocery and restaurant pick ups on 4 days per week, we have out grown our food room. By expanding our food room to 400 additional square feet, our delivery drivers will have a safe and efficient space to drop off, weigh, and report food. Currently, the deliveries interfere with the food room operation because the space is too small and is also a safety concern. Completing these repairs and performing the requested maintenance will promote personal safety, help protect over 100,000 pounds of donated food, and save tens of thousands of dollars in the future from neglecting these needed repairs. It will also allow us to add additional food pick ups that we have had to decline in the past (ie. Panera Bread, local school food drives, etc.) for reasons stated above.

We keep paper documentation, checks written, canceled checks, and client database.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

Our building is located on the property belonging to Guiding Light Islamic Center.

Kosair Charities awarded SEAM a \$20,000 grant in 2018 to help support our food pantry and Stable Families, Healthy Kids program.

We work with many businesses like Passport Health Plan, Campbellsville University Louisville Center, Jewish Family & Career Services, and Dress for Success, to provide healthcare options, education, and additional assistance for our clients.

Dare to Care helps SEAM with food deliveries throughout the month. SEAM also does their own food pick ups at two Kroger stores, Aldi, Target, Longhorns Steakhouse, three private schools and five public schools in the fall, and several other pick ups in the community throughout the year.

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
South East Associated Ministries, Inc.
Louisville, KY

I have reviewed the accompanying financial statements of South East Associated Ministries, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

Accountant's Conclusion

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2016 AND 2015

A. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

1. Organization

South East Associated Ministries, Inc. (SEAM) is a not-for-profit organization that provides social services to assist and empower families and individuals in meeting basic living needs. SEAM serves residents of Southeast Jefferson County, Kentucky.

SEAM is an interfaith community through which local faith traditions relate to each other and the community at large. Programs and opportunities are provided without regard to race, creed, sex, age or disability. Primary services provided include:

Life Skills/Assistance Center

The Life Skills/Assistance Center provides emergency food, clothing and financial assistance for rent, utilities, medicine, back-to-school supplies, holiday assistance, community workshops and information and referral services. SEAM collaborates with Winter Help and Federal Emergency Management Agency (FEMA) to disburse funds for the SEAM service area.

SEAM receives funding from member churches, individuals, government agencies, and various fund raising activities.

2. Basis of Accounting

The financial statements have been prepared in accordance with generally accepted accounting principles. Revenues are recognized when the amount is due and expenses are recognized when incurred.

3. Basis of Presentation

SEAM is required to report financial information regarding its financial position and activities according to the following three classes of net assets:

Unrestricted: Net assets that are not subject to any donor imposed restrictions and are available for purposes deemed necessary by management.

Temporarily Restricted: Net assets restricted by donors or grantors to a specific time period or purpose. When the stipulated restriction expires, these assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted: Net assets permanently restricted by the donor, such as endowment funds.

4. Cash and Cash Equivalents

For purposes of the statement of cash flows, SEAM considers all highly liquid investments with an initial maturity of three months or less to be cash equivalent.

5. Investments

Investments in marketable securities with readily determinable market values are stated at fair value based on quoted prices in active markets. Unrealized gains and losses are included in the statement of activities.

See independent accountant's review report.

SOUTH EAST ASSOCIATED MINISTRIES, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2016 AND 2015

6. Property and Equipment

Property and equipment is stated at cost if purchased. Donated property and equipment is recorded as contributions at the estimated fair value on the date of contribution and is recorded as increases in unrestricted net assets unless the donor restricts the contribution to a specific purpose. Items in excess of \$500 are capitalized and depreciated using the straight line method over their estimated useful lives. Items not meeting this threshold are charged to expense as incurred.

B. DATE OF MANAGEMENT'S REVIEW

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through November 30, 2016, which is the date that the financial statements were available to be issued.

C. ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. CONTRIBUTIONS

Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and nature of any donor restrictions. Contributions other than cash are recorded at fair market value on the date of the donation.

E. DONATED FOOD AND SERVICES

Donated food is received from various sources and is given to individuals in need of assistance. Donated food is recorded at fair value and is reported as support and revenue in the statement of activities, with a corresponding amount for food expense reported on the statement of functional expenses.

Many individuals volunteer their time and perform a variety of tasks that assist SEAM. Donated services are recognized as revenue if the service creates or enhances nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would otherwise be purchased if not provided by donation. Donated services that do not meet the above criteria are not recognized as revenues and are not reported in the financial statements. Approximately 4,800 hours of donated services were received in 2016. For 2015 donated service hours were approximately 4,600 hours. These services were not recognized because they did not fit the criteria for recognition.

F. FUNCTIONAL EXPENSE ALLOCATION

Expenses directly identifiable with a specific function are charged to that specific function. Expenses related to more than one function are charged to the appropriate category based on the estimated percent allocable to that category.

G. ADVERTISING COSTS

Advertising costs are charged to expense as incurred.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2016 AND 2015

H. COMPENSATED ABSENCES

SEAM employees are entitled to paid absences, depending on length of service and other factors. SEAM cannot reasonably estimate the amount of compensation for future absences, and accordingly, no liability has been recognized. These costs are recognized as incurred.

I. INCOME TAX EXEMPTION

SEAM is exempt from federal income taxes under Internal Revenue Code Section 501(c) 3. In addition, SEAM qualifies for the charitable contribution deduction and has been classified as an organization other than a private foundation under the applicable provisions of the Internal Revenue Code. However, net income from certain activities, not directly related to the tax exempt purpose, is subject to taxation as unrelated business income. SEAM believes it has appropriate support for any tax position taken, and as such, does not have any uncertain tax positions that are material to the financial statements. Therefore, no provision for income taxes has been made in the financial statements.

The statute of limitations for the examination of tax returns is generally three years from the due date of the returns, including extensions. The following tax years remain open at June 30, 2016:

Fiscal year ended June 30, 2016
2015
2014

J. FAIR VALUE MEASUREMENTS

Assets and liabilities subject to fair value measurement are valued using a hierarchy that defines three levels of input. Level 1 inputs are based on quoted prices within active markets. Level 2 inputs are based on observable market-based inputs other than quoted prices within active markets. Level 3 inputs are based on management assumptions and unobservable inputs.

K. CONCENTRATIONS OF RISK

Investment risk

SEAM maintains a checking account at a financial institution located in Louisville, Kentucky. Deposits at this institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. In the normal course of business, SEAM may from time to time exceed FDIC insured amounts. As of June 30, 2016 there were no deposits in excess of insured limits.

Investments are held at a national brokerage firm. Generally, securities at this firm are insured by the Securities Investor Protection Corporation (SIPC) up to \$500,000. However, the SIPC does not insure against market risk. Market risk is the risk that an investment in a security may decline in value during the normal course of trading on an exchange. It is reasonably possible that these investments may decline in value and, that decline may be a material amount reported in the financial statements.

Contributions risk

SEAM receives a significant grant from one governmental source providing approximately 66% and 75% of the amounts reported under "Grants" for the years ended June 30, 2016 and 2015, respectively. In addition, SEAM member churches contributed approximately 42% and 38%, respectively for amounts reported under "Contributions" for the same periods.

See independent accountant's review report.

M. RETIREMENT PLAN

SEAM has a 403(b) plan and has elected to match employee contributions up to 3% of the employee's gross salary. Employees are eligible to participate in the plan after one year of fulltime employment. Employees are 100% vested in the plan. Employer contributions for the years ended June 30, 2016 and 2015 were \$1,707 and \$ 1,456 respectively.

N. COMMITMENTS AND CONTINGENCIES

The building owned by SEAM is located on land that is being leased from a religious organization for a nominal fee of \$1 per year. The lease agreement began in 2000 and has an initial term of 20 years. SEAM has the option to renew the lease for an additional 20 years after the initial term ends.

Dear Michael,

You have requested that I update you concerning the progress of the organization's income tax return for the fiscal year ended June 30, 2017.

I am currently in the process of preparing the return and I hope to have a draft copy for your review sometime later this week. Once the draft is complete, your board will need to review the forms to make sure all items on the return are correct. Assuming this can be done in a timely manner, I expect to have the return ready to submit to the Internal Revenue Service sometime next week.

If you have any other questions, please do not hesitate to call.

Sincerely,

Timothy A. Masterson, CPA
