Jeff,

Here is the information that you had requested.
- Paving Rio Rita Avenue from Goldsmith Lane to Boaires Lane: $27,000 and the rating is  38.5/100
- Paving Melbourne Avenue from Taylorsville Road to Hikes Lane: $28,000 and the rating is 42.91/100
- Klondike Lane is on the list for public works to review as a part of our resurfacing. MSD has a project in the area and
we're waiting to see when that finishes up before planning any resurfacing.
- Klondike Lane Improvements - I would contact John Cosper first. He is the engineer manager and will be able to assign
a project manager to review the request. It may be me, but we rotate assigning projects so I'm not sure who is up next.

If you have any other questions or need further information, please let me know.

Thanks,
Andrew
