

STATEMENT TO LOUISVILLE METRO COUNCIL MEETING

RE: Retaliation > My PNC Bank Safe Deposit Box Burglarized (as inside job); **How the 2016 Elections Were Saved**

Metro Council Members,

I would like to share some of the ways my family is facing retaliation from Gov't, and how today's Russian story is **FAKE NEWS** to influence the electoral college. In 2013, I filed my 2nd lien on the U.S. Department of Treasury for false imprisonment. The IRS and KY Department of Treasury then began confiscating our tax returns with their bogus statements. Finally, this year, I filed suit in U.S. tax court. See Page 1 of my Oct. 11 Reply alleging harassment and fraud by the IRS. Then see Page 5 of **Chief Judge L. Paige Marvel's** U.S. tax court order dismissing my case, allowing IRS to continue their fraud. I then realized IRS is committing "mail fraud" by mailing-out these fraudulent statements. So, see Page 1 of my November 14 Complaint to the U.S. Postal Inspector, Criminal Division in Chicago. The Postal Inspector will soon be receiving my Complaint against the Department of Treasury for illegally taking money from my Social Security checks.

The Metro Council has received my four Article-1 Petitions to Congress against President Obama for treason. See Page 1 of my Oct. 19 Petition identifying Obama's Homeland Security access to local voting data bases in 40 states to cheat on election results. This is why the Democrats blamed the Russians, and so boastfully sure they would win the elections. My Petition was also sent to the various Republican Congressmen running for re-election, and other Americans. Apparently, this notification forced Homeland Security to pull back from this traceable cheating, allowing the November 8 elections to proceed free & clear. Again, today's allegations on the Russians is fake news to get electoral delegates to withdraw from Presiden-elect

ISSUES OF THIS REPLY

- **A. I.R.S. cannot use IRCs to deny guarantees of 7th Amendment.**
- **B. I.R.S. denied Cobble due diligence when ignoring his Dec. 14, 2015 and other Responses to the intents to levy.**
- **C. The Court must address the harassment of the Cobble family; these issues cannot be left unresolved.**
- **D. Any I.R.S. procedures are void where I.R.S. is committing harassment & fraud.**
- **E. Cobble's Liens on U.S. Treasury makes I.R.S. issues moot.**

1. Comes Petitioner Cobble to file the herein Reply to Internal Revenue Service's (I.R.S.) improper Sept. 16, 2016 "motion to dismiss for lack of jurisdiction." The motion is woefully improper. As such, Counsel Susan Bollman, for the I.R.S., is bordering on more fraud, her intent to deny Cobble's right to trial, as well as committing "obstruction-of-justice." And, she is asking the Court to do the same. To wit:

A.

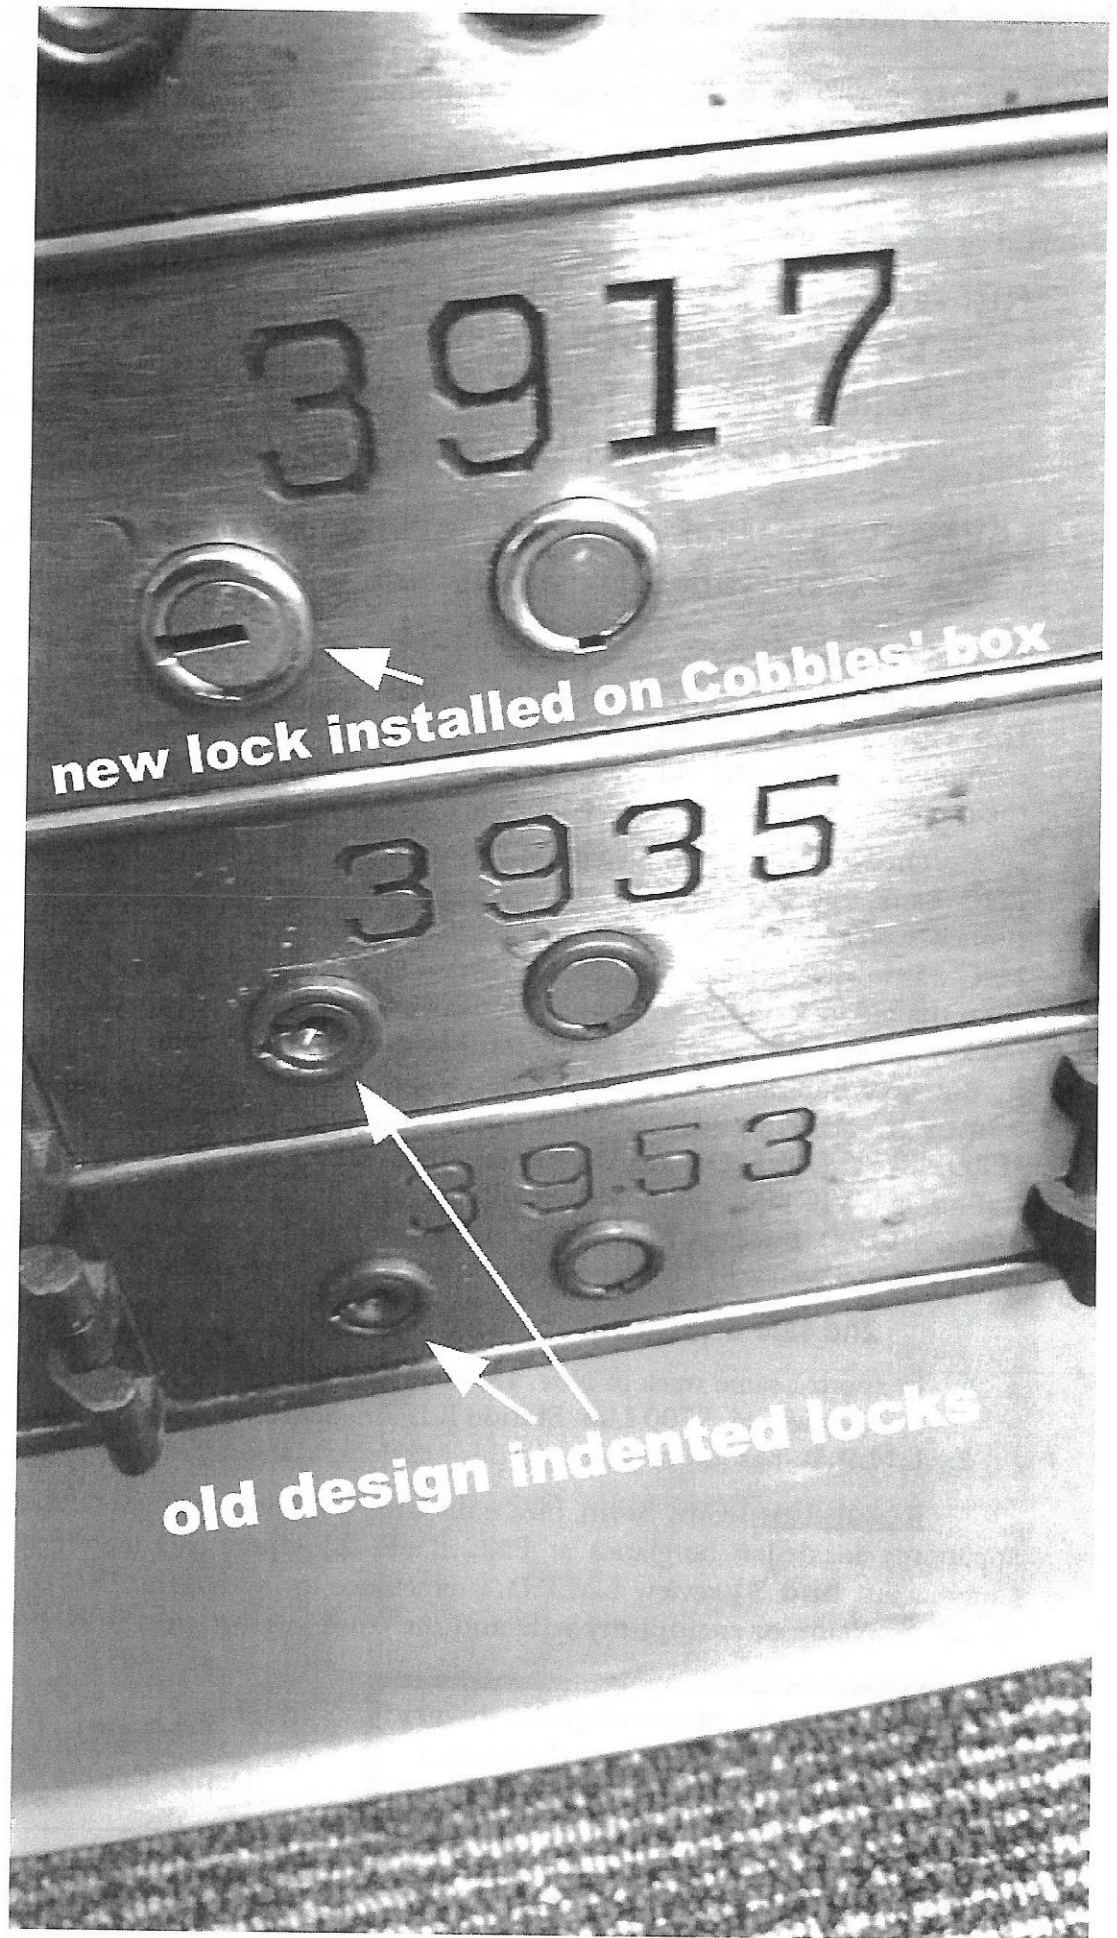

2. I.R.S. cannot seek dismissal of the material issues & allegations of injury for trial, based on Counsel's claims of IRC procedural violations. Cobble's jury trial for claims over \$25.00 guarantees this right "shall not be abridged" by the Court (**7th Amend.**). Counsel for I.R.S. does not dispute the allegations and material evidence in Cobble's instant Petition. See further the following Section B.

RE: Tax Slavery>Taking Our Tax Dollars While Forced To Obey Gov't Denying Our Rights. --> Louisville Police Slow to Transfer PNC Bank's Inside Jobs of Burglarized Safe Deposit Boxes to F.B.I.

SLAVERY: "a person who is the legal property of another and is forced to obey them." – *Apple Dictionary*

Dear Gov. Bevin,

You campaigned as an "outsider" promising to shake-up the Kentucky gov't **to protect the rights of all Kentuckians**. Yet Kentucky still operates "business as usual" in total corruption, confiscating our tax dollars while denying our Constitutional Rights. – Sir, you are not the promised "change agent," but allowing this "tax slavery" to go on.

On Nov. 18, 2016, when opening my family's self-serve safe deposit box (Box #3917) at PNC Bank, the box contents were re-arranged w/ \$2600 missing. We were burglarized. PNC Branch K60K442-01-1 at 3603 Old Bardstown Rd., Zip 40218. – Branch management denied PNC was involved (Head Mgr. **Shannon** & Assist. Mgr. **Debbie Day**). But that cannot be true, since the old lock on the box was newly manufactured / replaced, and without our knowledge. The old keyed-lock was a very old, darkly tarnished indented lock that required jiggling our key to open it. But now our same key works perfectly; see attached photo. – **Louisville Police Officer James R. Martin** (Badge #7793) filed **false Report #80-16-099043** calling the incident "PROPERTY LOST OR ABANDONED, NON CRIMINAL" with only one victim. My wife, Rufina, is a VICTIM, too. – Photos of new lock given to **L.M.P.D. Det. M. Braden** (#7819, 502-574-6197). But Det. Braden won't return our phone calls. – (Also, **NO RESPONSE** from Chief Robert Conrad on local complicity to mail fraud Complaint, Certified Item 7016 0750 0000 0369 1197, 502-574-7660.)

2nd safe deposit box burglary at PNC Bank; L.M.P.D. won't investigate:

1. In approx. same week of Nov. 18, safe deposit box of PNC Customer J. Beamer reported burglarized. 9700 Linn Station Rd., Branch K6-KB56-01-1 (corner of Hurstborne Ln.),
2. **L.M.P.D.** has not investigated this burglary; Ms. Beamer also reports property in box stolen.

Resolution: Gov. Bevin, please dispatch KY Banking Commission to: **1)** investigate these apparently inside-job burglaries at PNC Bank, **2)** report this matter to the F.B.I., Sec. Exch. Comm., Etc, **and 3)** review L.M.P.D.'s reluctance to investigate PNC & local complicity to mail fraud Complaint; or exempt my wife and me from paying taxes in Kentucky. – *Thank you!*

Petition: Gov. Bevin, please stop the slavery of taking Our tax dollars while denying Our Rights. I support this Resolution for Mr. & Mrs. Cobble.

How do We know these elections were saved? Because, in retaliation, on November 18, the contents of my safe deposit box at PNC Bank were re-arranged, with \$2,600 missing.
