Kevin,

Attached is the email showing the remaining estimates that was sent June 2nd. SR 4307262 was broken up into four addresses. There are two 7809 Mackie Ln addresses making the email a little confusing. The one rated a 5 is actually 7709 Mackie Ln.

If you have any other questions please ask.

Thank you,
Craig

Kevin,

I have listed the estimates for the locations that I do have. For the location at 201 Mackie Ln, that was repaired in 2011. I am still waiting on estimates for 208 Lesane Ct and the remaining Mackie locations. We are waiting to hear back from MSD regarding the bridge that is at 7709 Mackie Ln.

Here are the estimates as requested. Work at 201 Mackie appears to have been completed. You will also notice that I broke sr 4307273 out into four different parts, I wanted to make it easier to follow since it included four separate addresses. Any questions about the estimates please feel free to let me know. If you would like to proceed to construction Craig Allen will be your project manager.
