Heather,

Our street is adjacent to Seneca Park and at the end of our cul-de-sac just three houses away is the main Cutthrough for pedestrians into Seneca Park. We also have a Cutthrough to the neighborhood adjacent to us at the end of Beals branch. Are we able to submit pictures to you to include in your slide deck? Or can we bring pictures to show ourselves to the board? We have tons of traffic that comes through our street due to the schools up the street and the park and I just want to show this

Good afternoon Sue,

Would August the 15th work for you? The meeting will start at 1pm. If you would like to watch some previous meetings, we have them recorded and available here:

The meeting details will let you know which cases are short term rentals and the video link will take you to the recording of that hearing.

Best,
