Waiver

00:57:56 On a motion by Commissioner Brown, seconded by Commissioner Mims, the following resolution, based on the Standard of Review and Staff Analysis and evidence and testimony heard today, was adopted:

WHEREAS, the Louisville Metro Land Development and Transportation Committee finds the waiver will not adversely affect adjacent property owners, as there are no sidewalks along Greenbelt Highway in this area; and

WHEREAS, the Louisville Metro Land Development and Transportation Committee further finds Granting of the waiver will result in a development in compliance with the Comprehensive Plan and the overall intent of the Land Development Code, as significant new sidewalk connectivity will be constructed within and around the development; and

WHEREAS, the Louisville Metro Land Development and Transportation Committee further finds Strict application of the provisions of the regulation would create an unreasonable hardship on the applicant, as the sidewalk to be constructed in this area would be unreasonable for the proposed development; and

WHEREAS, the Louisville Metro Land Development and Transportation Committee further finds Sidewalks do not exist in the area and are unlikely to be constructed in the future. The nearest sidewalks along this side of Greenbelt Hwy in this area are approximately 1400 feet to the north or approximately 6200 feet to the south; now, therefore it be:
