Dear Councilwoman Woolridge,

On behalf of Major Bill Kristofeck, I am requesting discretionary funding to help us put on the annual "National Night Out" celebration here in the Second Police Division. We plan to use the funding to purchase a variety of public relations products to distribute at the festival. We will order Pens, pencils, key chains, tumblers, silicone bracelets, small footballs and basketballs, and other promotional products. We also plan to buy hamburgers at a reduced cost.

First Choice Market, 3044 Wilson Avenue, has graciously agreed to host the festival in their parking lot. They have agreed to donate hot dogs, buns and bottled water. The date of the festival is **August 4, 2015, from 6:00PM until 8:00 PM.**

The Fourth Division has successfully attracted throngs of visitors to their program, and I plan to get ours up to par and attract a large crowd also. The officers I consulted with assured me that the promotional products and food were the best way to attract a substantial crowd. I want to get our message about block watch and neighborhood safety out to the public, and I hope to eventually rival the attendance the other police divisions are experiencing.

I am requesting \$1000.00 from each Metro Council member in the Second Division. Please let me know if you can provide all or part of this amount.

Sincerely,

Chuck

Please know the Inter-agency NDF for 2nd Division National Night Out is in the clerk's office with Jess Helton.

The total amount from each district (Districts 1,3,5,and 6)is now \$675.00.

Jess is expecting the signatures from District 5 and 6 so this can be placed on the agenda. District 3 and 1 have already signed paperwork.
