

NEIGHBORHOOD MEETING SUMMARY

July the 7th, 2021 at 7:00 pm we had a neighborhood meeting to discuss our short-term rental project, GENESIS, with the neighborhood at 2041 Bashford Manor Ln, Louisville Ky, 40218. Only one person showed up. We explained to him the purpose of the meeting, all our expectations and that we own the property, he signed the sheet we provided and took with him an after-meeting letter. We answered all his questions and waited for more people to come, but nobody else showed up.

Sincerely,

Yisel and Pavel.
