Subject: Re: Edith Road - tree planting/replacement project

Thank you for supporting our tree planting program. We are always happy to plant trees. \$4000 would allow us to secure 20 trees. If we have any room to plant more trees in that corridor we will plant more than 20.

Thanks

Mesude,

Thank you and Jason for meeting with us today regarding the Edith Road corridor.

Per our discussion today, will Metro Parks accept \$4,000 from D9 for the planting of 27 trees along the Edith Road corridor?

We are looking forward to this project!

Thank you,
Kyle
