Sorry for the delay – I was waiting to double check with PRP that we had our years correct.

The sign looks great! Please provide an estimate for the costs and I'll start the paperwork.

Thanks!

I thought that might be the case. Since the girls team seems to be racking up championship titles, could we switch their line to the bottom for the new sign? Is there also a way to leave another space to accommodate future championships as well?

Please provide an estimate for the new signage fabrication and installation.

Thanks!

Good morning,

Its best that we fabricate a new sign to reflect these corrections.

William and Patricia,

Attached you will find an image of a school accomplishment sign at PRP. Some of the years of accomplishment are inaccurate. They would like to have the years fixed. Additional details are provided below. Will you please let Liz know how we can best resolve this concern.

Good Morning Stuart -

It has come to our attention that we have some incorrect years/placement on one of our championship signs at PRP High School.

Attached is a picture of the sign, but below are the actual years that should be on there for the boys and girls teams:

Boys Bowling: 2006
Girls Bowling: 2004, 2007, 2008, 2010, 2011, 2012, 2014, 2015, 2018

We want to make sure we get this corrected to reflect the right teams/years. Is it possible to place more stickers to do that?

Or does a new sign need to be fabricated? Three years need to be added to the girls line and I don't know that there would actually be room.

Please let us know if you guys can help.

Thank you!
