Crime Prevention in Our Community

"Promoting Community Partnerships to Improve the Quality of Life for our Community"

Please join us for our crime prevention seminar exploring how the quality of life in the community can be improved through collaborative efforts between citizens, police, and public service agencies.

"Promoting partnerships between the community, police, schools, and health and human service organization is vital for improving the quality of life for our community. These partnerships are the core of multitude of challenges that cities face across America.

Our goal is to create a crime free community for the residents of Metro Louisville by partnering with Neighborhood Associations, Schools, and residents to educate in crime prevention and promote programs to reduce crime. Citizen input and cooperation is core to the success of the programs.

Neighborhood Watch is about crime prevention education and the implementation of important home and personal security strategies.
