Support from Hauck's Corner

Good morning,

This is Craig Priddy, an affiliate and business partner of Hauck's Corner 1000 Goss Avenue as well as 998 Goss, 1002,1003,1004 and 1008 Goss Ave. I am writing in support of the porch addition /variance for 1314 Hoertz Ave. As a member of the development group I am associated with and our mission to vastly improve the visual aesthetics of the Germantown area we are in support of the improvements being made at this neighboring property and support the variance request.

I'm writing on behalf of Katrina Miller, the nurse who lives across from Hauck's. She's been stuck trying to put a front porch on her home for almost a year now. She needs a variance to allow the porch, modified to fit her property, to remain. Are you all, as nearby property owners, able to support her effort?

Thanks,

Cliff
