Amy,

How many driver feedback signs are you interested in installing?

- 4?
 - 2 on Deering, both ways?
 - 1 on Parkridge Parkway - exiting neighborhood
 - 1 on Austinwood Road - down hill

Stuart has given us a quote for 10 signs at a cost of \$39,745.58.

IF the cost can be divided evenly, that would be \$3,974.56 per sign.

If we do the four proposed above the cost would be **\$15,898.24 total**.

Thank you,

Brian Powell

Stuart,

Councilwoman Holton Stewart would like 4 total signs:

- 2 on Deering Road, one each way as a motorist approaches the curve closest to Constance Drive
- 1 on Austinwood Road as a motorist travels downhill
- 1 on Parkridge Parkway as a motorist travels out of the neighborhood toward Manslick Road.

Thank you,

Brian Powell

That is correct. I am not certain where the quote for 10 signs came from before. Apologies for any confusion on my part from any conversation you had with CW Holton Stewart that I was not privy to. We were previously trying to understand the cost per sign, then determine in conjunction with Speed Humps that we are working to install, how many signs we were going to fund.

Thank you,

Brian Powell

Brian,

The quote for (4) driver feedback signs is \$16,591.49.

Thanks,

Stuart

Stuart,

Will Public Works accept funding for these? I will do the CIF now.

Thank you,
