Re: Algonquin Park Parking Area  
Bid Proposal

Dear Major,

E-Z Construction Company, Inc. respectfully submits the following lump sum proposal to construct boulder edging around the park perimeter based on email dated 1/12/21 and as further described below.

<b>Parking Area (1081 lineal feet)</b>	<b>\$31,425.00</b>
<b>Cypress Road (375 lineal feet)</b>	<b>\$10,475.00</b>

### Scope of Work

Provides for all labor, material and equipment to:

- Mobilize to site, provide construction layout and locate utilities
- Place boulders approx. 48"x24"x18" spaced out every five feet to prevent vehicular traffic from entering the park at those locations.

Work to be performed during normal business hours. Night and evening work are excluded.

This proposal assumes the existing asphalt path and wood bridges are suitable for construction traffic such as pickup trucks and skid steers

E-Z Construction Co., Inc. will cleanup site and remove construction debris from our scope of work only.

Permits, testing or fees are excluded unless noted above.

This proposal is valid for 30 days unless extended in writing. This is a lump sum proposal. E-Z Construction Co., Inc. reserves the right to modify this proposal if items are added or deleted.

Please contact me if you have any questions or would like to discuss.  
Respectfully submitted,

**E-Z CONSTRUCTION CO., INC.**

Jason,

Will you accept funds allocated from District 3 in the amount of \$21,900 to Parks for the work listed below and not covered by the \$20k grant UPS has already agreed to paying?

Wow – that’s wonderful!

Based on our bid of \$41,900 – that leaves a remaining balance of \$21,900.

I am not sure when the UPS funding would come through – we could certainly pay half up front and half when the project is complete, but I don’t think it’d take more than a couple weeks to get it done. It’s just a matter of how long to get the boulders.

Let me reach out to the contractor and see what his timeline would look like and I’ll get back to you.

Thanks, Keturah!

Talked to Justin, who talked to Mechelle and she thought she responded back. Any hoo, you guys were approved for \$20k and she should be sending congratulation notices out this week. The new business deadline for March has passed, but I will get in the paperwork on April 19<sup>th</sup> for the remainder of the money needed. The issue is, you guys probably won’t receive that money til May. Does that set you back?
