Integrity

Per 32.260 (O), “An Individual Landmark shall possess sufficient integrity to meet criterion (a) and one or more of the other criteria (b) through (e).”

- Location
- Design
- Setting
- Materials
- Workmanship
- Feeling
- Association

Designation Criteria

- A) Its character, interest, or value as part of the development or heritage of the city, the Commonwealth, or the United States.
- B) Its location as a site of a significant historic event.
- C) Its identification with a person or persons who significantly contributed to the culture and development of the city, the commonwealth, or the nation.
- D) Its embodiment of distinguishing characteristics of an architectural type or specimen; or its embodiment of a significant architectural innovation; or its identification as the work of an architect, landscape architect, or master builder whose individual work has influenced the development of the city, the Commonwealth, or the nation.
- E) Its historic significance is based on its association with an underrepresented history within the city, the Commonwealth, or the nation and broadens our understanding of these underrepresented histories.
