To Whom it may Concern,

This letter is in regards to A deck/Privacy Fenced built on property Located at : 6906 John Paul Lane Louisville, Ky 40229, although I'm not sure why a letter was needed by us due to the fact we had nothing to do with the Complaint made However Nina/Adnan are Very wonderful neighbors and we watched and saw the deck/fence built and watched how safety concentrated they were, The fence/deck does not bother us in any way. The are good people that both work hard to provide for their 3 children and they never bother anyone at most they help people So its just my opinion that whoever made this Complaint was un-founded and had nothing else to do with there time than to Cause a problem for good people So long story short fence and deck is Secure and safe doesnt bother anyone So leave it alone!
