

17VARIANCE1014

2107 Twin Hill Road

**Louisville Metro Board of Zoning Adjustment
Public Hearing**

**Dante St. Germain, Planner I
April 3, 2017**

Requests

- **Variance:** from Land Development Code Table 5.3.1 to allow a structure to encroach into the street side yard.

Location	Requirement	Request	Variance
Street Side Yard Setback	30 ft.	25.29 ft.	4.71 ft.

Case Summary / Background

- The subject property is Lot 78 in the Riverwood Section 2 subdivision, recorded in 1964. A 30' build limit line was specified along both Blankenbaker Lane and Twin Hill Road.
- The home on the subject property was built in 2005. It was oriented toward Twin Hill Road and built over the build limit line, encroaching into the street side yard setback.
- The encroachment was discovered when a survey was performed as part of the process of selling the property.

Case Summary / Background

- The encroachment is 4.71 feet into the street side yard, which is required to be 30 feet, the same as the build limit line. The front façade of the house is the point of encroachment.

Applicant's Site Plan

Conclusions

- Must determine if the proposal meets the standard of review for granting a variance as established in the Land Development Code Table 5.3.1 to allow a structure to encroach into the required street side yard.

Required Actions

- **Variance:** from Land Development Code Table 5.3.1 to allow a structure to encroach into the required street side yard.

Location	Requirement	Request	Variance
Street Side Yard Setback	30 ft.	25.29 ft.	4.71 ft.
