

JUSTIFICATION

To justify approval of any variance, the Planning Commission considers the following criteria. Please answer **all** the following items. Use additional sheets if needed. Responses of **yes, no,** or **n/a** will **not** be accepted.

Explain how the variance will not adversely affect the public health, safety, or welfare.

Fence is not causing any safety hazards due to fence being on my property

Explain how the variance will not alter the essential character of the general vicinity.

the fence is adjacent to the house and does not sit close to street

Explain how the variance will not cause a hazard or a nuisance to the public.

it would keep people safe from my dogs and keep people from looking at kids while swimming

Explain how the variance will not allow an unreasonable circumvention of the requirements of the zoning regulations.

the variance is to allow my fence to be taller

Explain how the variance arises from special circumstances, which do not generally apply to land in the general vicinity (please specify/identify).

PLANNING & DESIGN
SERVICES

Explain how the strict application of the provisions of the regulation would deprive the applicant of the reasonable use of the land or would create unnecessary hardship.

I would not be able to have my dogs outside

Are the circumstances the result of actions of the applicant taken *after* the adoption of the regulation from which relief is sought?

Recently replaced a fence that has been up for over 20 years
