RE: Extension of Expiration
Case 17-DEVPLAN11146
Blankenbaker Station II – Lot 10

To Whom It May Concern:

Please find attached an application for the extension of the expiration date for the above-named case. The applicant requests an extension due to conditions, such as the COVID-19 pandemic, which prevented the project from moving forward over the last two years. They would like to keep the development plan viable. If you have any questions or concerns please contact me on behalf of the owner.

Thank you,
