Re: Proposed unnamed alley closure in connection with the Zone Change for property located at 205 and 207 Meridian Drive in Docket No.22-ZONE-0065

Dear Dante:

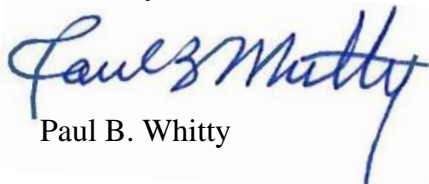

This letter shall serve as our justification for closing an unbuilt and unnamed alley in connection to the zone change for the above referenced case.

The Applicant is requesting this alley closure in order to provide more rear yard space and to accommodate sewer and drainage facilities. This will also add security to the site while providing more area and security to the adjacent properties.

We have received 100% consent from the adjoining property owners and would ask that the street closures move forward in conjunction with the zone change.

Many thanks.

Sincerely,
