Re: **REQUEST FOR WAIVER (600 FT RULE)**
 1844 Shady Lane, Louisville, KY 40205

To Whom It May Concern:

I am writing to request a waiver to the 600 ft rule of proximity on non-owner occupied short term rental conditional use permitting. My reasons for requesting this variance include high density of multi-family or investment properties in the area, the proximity to commercial zoning, my home has multiple off-street parking spaces (4), similar to other multi-family or multi-use properties in the area. Additionally, the CUP that will likely be approved by the submission of this request and is the reason for requesting said variance is on a completely different street and 500+ feet away from my property.

The location of my home is less than 1500 feet away from Bardstown and complete commercial properties/zoning. There are several multi-family units on our street. We are so close and surrounded by commercial-use properties, we feel that we won't affect the surrounding land because it's already high-intensity use, rather than solely single-family.

We are moving to look for more peace and quiet, hence our request to provide Short Term Rental, as we would be upside down at this point on our recent purchase of this home. We appreciate your consideration and hope to work together in providing a professional short term rental service out of our most recent home.

Sincerely,
Don Zinno
